**Review of Spring 2004 newsletter**

Mr. Wontorek pointed out there will be an additional insert from the Beautification Committee. Initially, According to city policy, the Beautification Committee is a community organization, not a city-sponsored group. City policy regarding inserts stipulates a reimbursement by a community organization for printing and distribution costs. However, since the Community Development Committee endorsed the insert, the city will treat the group as a city agency and not charge for the insert.

Mr. Wontorek said the newsletter will be distributed to residents in early March.

The meeting adjourned at 7:25 p.m.
