TRAFFIC & SAFETY COMMITTEE MEETING
Tuesday, July 13, 2004

PRESENT: Alds. Becker, Herzog, Krol, Maher; McCarthy -5

ALSO

PRESENT: W. Kappel, Public Works Director

Ald. Becker as Chair called the meeting to order at 7:50 p.m. -5

Proposed Ordinance – Parking on N. 74th Street

The committee reviewed the proposed ordinance amending Section 11.32.080 to provide parking except on Sundays and legal holidays on a portion of N. 74th Street south of Hillcrest Drive. Mr. Kappel noted that this brings ordinance language into conformance with existing signage.

Moved by Ald. Herzog, seconded by Ald. McCarthy to recommend to Council adoption of the ordinance. Ayes: 5

Proposed Ordinance – Loading Zone Permits

The committee reviewed the proposed ordinance modifying Section 12.32.030 of the Code regarding application fees for loading zone permits. The ordinance establishes a January-December license year and also establishes an installation charge, which new applicants would pay in addition to the annual administrative fee of \$25 plus \$0.50 for every foot over 30 feet.

Mr. Kappel distributed a summary of information he gathered on the practices of other area communities with regard to loading zones and discretionary signage. Of the 13 communities surveyed, only Butler and Franklin use loading zone signs, and neither charges an installation fee. Some charge for discretionary signs, particularly in newly developed areas. The City of Milwaukee was not included in the survey. Ald. Maher indicated that information provided by Mr. Kappel satisfies concerns he expressed at the previous meeting.

Moved by Ald. Maher, seconded by Ald. Krol to recommend to Council adoption of the ordinance. Ayes: 5

The meeting adjourned at 7:57 p.m.
