Ald. Becker as Chair called the meeting to order at 7:45 p.m.

Completion of 2nd 90-Day Trial of Removal of Parking Restrictions at 2544 Wauwatosa Avenue

Mr. Kappel said that he requested a second 90-day trial of the parking changes at 2544 Wauwatosa Avenue due to a series of two or three accidents during the first 90-days following removal of rush-hour parking restrictions there. He reported that no accidents were recorded in that area during the past 90 days even with a great deal of winter weather during that time. He recommended elimination of the evening rush-hour restrictions on a permanent basis.

Moved by Ald. Krol, seconded by Ald. Purins to recommend introduction
of an ordinance to remove evening rush-hour restrictions at 2544
Wauwatosa Avenue. Ayes: 5
