**TRAFFIC & SAFETY COMMITTEE MEETING  
Tuesday, January 29, 2008**

PRESENT: Alds. Grimm, Herzog, Minear -3

EXCUSED: Alds. Donegan, Treis

ALSO PRESENT: W. Kappel, Dir. of Public Works

Ald. Grimm as Chair called the meeting to order at 7:45 p.m.

**No Left Turn – Alley behind 8725 W. North Avenue**

Mr. Kappel reported on a request from Dr. Thomas Richer of Tosa Pediatrics, 8652 W. North Avenue, to prohibit left turns from The City Market parking lot at 8725 W. North Avenue into the alley to the south. Because the alley dead-ends to the east, drivers who turn left from The City Market lot end up driving through the Tosa Pediatrics parking lot to reach North Avenue, putting users of that lot at risk. The manager and owner of The City Market were informed of this request and are in agreement with requiring drivers to turn right to Ludington Avenue. The Police Department also has no objection to the prohibition of left turns. Mr. Kappel recommended a 90-day trial.

Timothy Richer, 6623 Revere Avenue, representing Tosa Pediatrics spoke of concerns about putting patients at risk. He said that the number one cause of injury or death of children is accidents, and the primary type is automobile accidents. He noted that Tosa Pediatrics has been around for many years, owns this building, and has no intention of moving from Wauwatosa in the near future.

Moved by Ald. Herzog, seconded by Ald. Minear to approve a 90-day trial of no left turns from the parking lot at 8725 W. North Avenue into the alley to the south. Ayes: 3

The meeting adjourned at 7:52 p.m.
