Extension of Temporary Suspension of Parking Restrictions on N. 99th Street

Mr. Kappel reported that the corporate office of Grede Foundries, Inc, 9898 W. Blue Mound Road, has requested a six-month extension of the temporary suspension of a portion of the parking restrictions on N. 99th Street between W. Blue Mound Road and W. Wisconsin Avenue. The change was originally granted for a one-year period in connection with a computer project that now will continue through the summer, requiring space for five to ten consultants at various times. There have been no complaints about the measure.

Moved by Ald. Donegan, seconded by Ald. Herzog to recommend approval of a six-month extension. Ayes: 3

The meeting adjourned at 7:56 p.m.
