EMPLOYEE RELATIONS COMMITTEE MEETING

Tuesday, December 9, 2008
Council Chambers

PRESENT: Alds. Krol, Ewerdt, Walsh, Purins, Donegan - 5

ALSO PRESENT: J. Archambo, City Admin.; B. Aldana, HR Dir./Asst. City Atty.;
N. Kreuser, Health Officer

Ald. Purins as chair called the meeting to order at 7:45 p.m.

Ordinance amending Section 2.59.040 of the Code to create a Public Health Manager position in the Health Department (for adoption)

The committee discussed for adoption, the ordinance amending Section 2.59.040 of the Code creating a Public Health Manager position. Mr. Archambo noted that this position fits into the longer term reorganization for the health department. The employee currently in this position is half time city funded and half time grant funded through the preparedness consortium. The fiscal agent for the preparedness consortium is changing at year end and will be located in a different municipality. Because of this the Health Officer would like to take the half time consortium funded piece away and make it be full time city funded. By amending the ordinance it will put the Public Health Manager position into a city position funded by city grants. Mr. Archambo said there will be no additional levy generated funds for the city and has no direct impact on the 2009 budget. Mr. Archambo reported that thru attrition or some other means in the overall picture the full time equivalent will not be increased in the health department.

Moved by Ald. Ewerdt, seconded by Ald. Krol
to recommend for adoption the ordinance amending
Section 2.59.040 of the Code creating a Public Health
Manager position in the Health Department – Ayes: 5

The meeting adjourned at 7:51 p.m.

Carla A. Ledesma, City Clerk
