#### AGENDA

1. Discussion and action on motions made at the meeting of July 21, 2004:

*Moved...to encourage the police department to investigate other options for the police garage*

*Moved...to recommend approval of the 5-Year Capital Improvement Program 2005-2009 and inform the Common Council of the following perceived shortcomings in funding:*

- *Based on replacing .66% of existing water mains per year and a replacement standard of 1% per year, water main replacement seems to be under-funded in future years*
