TRAFFIC & SAFETY COMMITTEE MEETING
Tuesday, September 13, 2011
Committee Room #1

PRESENT: Aids. Jay, McBride, Pantuso, Wilke – 4

EXCUSED: Ald. Meaux

ALSO PRESENT: W. Porter, Public Works Dir.

Ald. McBride as Chair called the meeting to order at 7:55 p.m.

90-day trial of alterations to parking on Underwood Avenue from Milwaukee Avenue to Harmonee Avenue

Mr. Porter commented that he was contacted by the fire department requesting to update regulations on parking around the new fire station #1. He described the trial changes which varied depending on what part of Underwood Avenue the person is on. All the restrictions and allowable parking will be on the west side of the street.

Ald. Wilke asked if the businesses in the area had been informed. Mr. Porter explained that this is a 90-day trial codifying what is out there already. If there are any problems, the businesses will come forward during that time and they can be addressed. Ald. Wilke felt strongly that the businesses should be notified first. It was the consensus of other committee members that the business owners can be notified right now and they will have a chance to voice their reaction to the changes during that time.

Moved by Ald. Pantuso, seconded by Ald. Jay to institute the 90 day trial as is and notify the businesses of the parking changes during that time --

Ald. Wilke noted that he would like the businesses involved in these trial parking changes. Ald. McBride commented that the purpose of the 90-day trial was to give the fire apparatus enough room to come in and out of the truck bay safely.

Vote on the motion was Ayes: 3, Noes: 1 (Wilke)

The meeting adjourned at 8:02 p.m.
