### PUBLIC HEARING

#### 1. Public hearing to consider proposed 2015 street improvements

The public hearing was declared open. Proof of publication is in the file.

No one of the public present wished to be heard in favor of the proposed street improvements.

Several members of public present wished to be heard in opposition to the proposed street improvements; their comments are listed under each street.

#### N. 97<sup>th</sup> Street from Fiebrantz Avenue to Palmetto Avenue

Adam Chan, 4156 N. 97<sup>th</sup> Street, felt improvements are unneeded and are a waste of time and money.

Helen Krueger Pizzi, 4151 N. 97<sup>th</sup> Street, stated that the street has no potholes or cracks; there is some rippling at the end of the street, but that is all.

#### N. 102<sup>nd</sup> Street from Vienna Avenue to Capitol Drive

Grant Lubin, 3822 N. 102<sup>nd</sup> Street, stated the street is in good condition. Money should be spent instead on improving Menomonee River Parkway. Spend money where needed.

Christine Mann, 10206 W. Melvina, stated her lot abuts three streets. It is large, but she has been told it cannot be sub-divided. Her proposed assessment is similar to a commercial property's on Capitol Drive and is not reflective of a residential assessment. Please consider reducing it to \$1,750.

#### Cathedral Avenue from Homewood Avenue to N. 121<sup>st</sup> Street

No one was present.

Cathedral Avenue from N. 121<sup>st</sup> Street to Dearbourn Avenue

No one was present.

Grand Parkway from N. 72<sup>nd</sup> Street to N. 74<sup>th</sup> Street

Elizabeth Highland, 7333 Grand Parkway, doesn't oppose the street improvements, just the assessment amount. Some sidewalks on her corner lot were replaced less than two years ago as part of utility work; others were damaged as result of this utility work. The road is in poor shape, but taxes are already high.

Grand Parkway from N. 74<sup>th</sup> Street to west end

No one was present.

Locust Street from N. 117<sup>th</sup> Street to N. 124<sup>th</sup> Street

No one was present.

A. Honey Beekeeping shall be allowed in residentially-zoned districts within the City of Wauwatosa as follows:

1. No person shall acquire, keep or stock bees in the city unless they are Honey Bees and without first obtaining a valid beekeeping permit or as otherwise provided under section 9.08.020.
2. No more than two Hives are allowed on a residential lot. The hives forming the apiary structure must be located near each other to form a single apiary. A temporary third hive for

hive splitting may be allowed for a reasonable period of time prior to its removal to another location.

3. All Honey Bees shall be kept in Hives with removable frames which shall be kept in sound and usable condition.

4. A closed fence, closed evergreen hedge, building or other solid Flyway Barrier or other barrier which the Development Director or his or her designee determines to be of sufficient height and effectiveness shall be located between the Hive(s) and the property lines for all Hives located within 20 feet of the property line. A Flyway Barrier is not needed if the Bee Hive is kept at least ten feet off the ground.

5. All Hives and related structures that form the Apiary may not be located in front or side yards and must be no less than 20 feet from the backyard property line. Location sites may be closer than stated limits with a signed written consent of the neighbor whose neighboring property is at issue.

6. Hives shall be located a minimum of 50 feet from an adjoining lot's recreational areas such as patios, porches, decks, gazebos, swimming pools, and permanently affixed play equipment unless the owner of the adjoining lot at issue has provided written consent for closer Hive placement.

7. A Beekeeper must continually provide water to bees from a source immediately within the Apiary to prevent bees from seeking water sources at nearby property.

8. In the event bees in a Hive repeatedly exhibit aggressive behavior, it shall be the duty of the Beekeeper to remove, destroy or re-queen the Hive.

9. All Apiary structures and Flyways must be constructed, located and maintained consistent with and in conformity to the property maintenance, landscaping and screening provisions of the city code.

#### B. Beekeeping Permit.

1. A beekeeping permit and fee shall be required for each household and is not transferable. Upon vacating the property, the beekeeper must remove all apiary structures and bees from the property.

2. No permit fee may be refunded in whole or in part.

3. A permit shall be renewed and fee shall be paid within twelve months of the issuance of the initial permit. There shall be a penalty added for late payment of the permit fee as provided in the Consolidated Fee Schedule.

4. A permit is subject to revocation upon failure to comply with any provision under the code as determined in writing by the Development Director. Once a permit is revoked, a permit shall not be reissued for two years.

5. Neighborhood Approval and Site Plan Required. Before a permit is issued, applicants shall obtain for the city the written consent of the owners of all adjoining or diagonally abutting properties, including those across an alley. An applicant, if not the property owner, shall obtain the written consent of the owner of the property where the apiary shall be kept. An applicant must submit a scaled dimensional drawing, showing all adjoining structures and property lines together with the proposed apiary, to the satisfaction of the Development Director or his or her designee.

6. Applicants shall utilize beekeeping associations, classes and training or a combination thereof to obtain competency in beekeeping.

Beekeepers shall comply with the following:

1. Any bee Colony not residing in a Hive structure intended for beekeeping or any swarm of bees not under active human management should be reported to the Development Director. No Beekeeper shall keep bees or Hives that cause any nuisance, unhealthy conditions, create a public threat or interfere with the normal use and enjoyment of any public property or property of others.
2. Hives shall be actively maintained and Hives not under active human management and maintenance may be ordered by the Development Director to be dismantled or removed. The Beekeeper shall have five days following written notice from the Development Director to bring the Hive into compliance. Any bee Colony residing in a Hive which by virtue of its condition has obviously been abandoned or improperly maintained by the Beekeeper is prohibited.

#### D. Penalties. Inspections. Enforcement. Appeal.

1. Penalties. Any person violating any provision of this chapter shall be subject to the general penalty provisions of this code, the penalties provided under this section and chapter 15 and citations issued pursuant to Wauwatosa Municipal Code section 1.24.010 and Wisconsin Statute section 800.02.
2. Inspections. In order to ensure compliance with this section and that there are no hazards or other issues present, a site inspection of the Beekeeper's premises and Apiary shall be required. If the Development Director or his or her designee deems it is appropriate to inspect a Hive, the Hive may be inspected by a qualified inspector designated by the Development Director at the Beekeeper's expense. Inspections under this section shall be performed during regular business hours and subject to prior notice to the Beekeeper.
3. Removal of Hive. Any Hive may be impounded or removed from the city for violations of this section upon order of the Development Director. The Beekeeper shall be responsible for costs of the impoundment or removal.
4. The Development Department shall issue permits and enforce the provisions of this code.

5. Appeal. The Board of Building and Fire Code Appeals shall conduct a hearing as soon as reasonably possible and no later than thirty days after receiving a request for a hearing. Part III. Noncodified provisions.

Section 1B. Award of the Bonds. The Proposal of the Purchaser offering to purchase the Bonds for the sum set forth on the Proposal, plus accrued interest to the date of delivery, resulting in a true interest cost as set forth on the Proposal is hereby accepted (subject to the condition that no valid petition for a referendum is filed by March 19, 2015 in connection with the Initial Resolution). The Mayor and City Clerk or other appropriate officers of the City are authorized and directed to execute an acceptance of the Proposal on behalf of the City. The good faith deposit of the Purchaser shall be retained by the City Treasurer and applied in accordance with the Official Notice of Sale, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Bonds shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Bonds. The Bonds shall be designated "General Obligation Community Development Bonds, Series 2015A"; shall be issued in the aggregate principal amount of \$6,200,000; shall be dated April 1, 2015; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on April 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on April 1, 2016. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set

forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 3. Redemption Provisions. The Bonds maturing on April 1, 2026 and thereafter shall be subject to redemption prior to maturity, at the option of the City, on April 1, 2025 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the City and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the City are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the City a direct annual irrepealable tax in the years 2015 through 2034 for the payments due in the years 2016 through 2035 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the City shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the City and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the City for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for \$6,200,000 General Obligation Community Development Bonds, Series 20154, dated April 1, 2015" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. The City Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the

City at the time of delivery of and payment for the Bonds; (ii) any premium which may be received by the City above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the City, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the Common Council directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the City and disbursed solely for the purpose for which borrowed or for the payment of the principal of and the interest on the Bonds. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose for which the Bonds have been issued has been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the City, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The City represents and covenants that the projects financed by the Bonds and the ownership, management and use of the projects will not cause the

Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of Bonds to be an arbitrage bond or a private active bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Bonds; Closing Professional Services. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 11. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by the Finance Director (the "Fiscal Agent").

Section 12. Persons Treated as Owners; Transfer of Bonds. The City shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity

and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 13. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the City and on file in the City Clerk's office.

Section 15. Official Statement. The Common Council hereby approves the Near Final Official Statement with respect to the Bonds and deems the Near Final Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the City in connection with the preparation of such Near Final Official Statement and any addenda to it or Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate City official shall certify the Near Final Official Statement and any addenda or Official Statement. The City Clerk shall cause copies of the Near Final Official Statement and any addenda or Official Statement to be distributed to the Purchaser.

Section 16. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Mayor and City Clerk, or other officer of the City charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 17. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 18. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The Mayor and City Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Mayor and City Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any

reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 19. Conflicting Resolutions; Severability Effective Date. All prior resolutions, rules or other actions of the Common Council or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

March 13, 2015

Mr. Jason Wilke  
Alderman  
Wauwatosa City Council  
7725 W. North Avenue  
Wauwatosa, WI 53213

Dear Jason:

I am concerned about the impending assessment for asphalt road work on 102nd Street from Vienna Street to Capitol Drive. Specifically, I don't think the method of allocating the cost is fair to me due to the uniqueness of my property, the fact that my hands are tied as to what I can do with the property and how future work will impact me.

I have a unique property consisting of what is the equivalent of 3 city lots in one tax key at 10206 W. Melvina Street, which abuts 3 different streets and 2 corners. In total, I have roughly 400 total linear feet and the current project encompasses about 60% of that footage. I've attached a photo of my house from Melvina Street and an aerial photo of the property from Mapquest.

My assessment is \$3,014.50 (241.2 LF x \$12.50), which is 2-3 times most of the other homes. The assessments for other properties along 102nd range from \$1,100 to 5,800 for a commercial property. The average residential assessment for the project is \$1,689.09, putting my cost nearly 80% more than the average household on the street.

Anticipating future projects, if all of my linear footage were to be subject to road paving, I would eventually be assessed approximately \$5,600 ( $350 \times \$12.50 + 50 \times \$25 = \$5,625$ ) based on the current rates and allocation method. This puts me in the range of the commercial property.

My property is unique. I have a white elephant, if you will, and over the years, I've approached various city planners about subdividing the property so that I could sell one of the lots. Most recently, I've been told that I can't sell a lot because my property is all on one tax key and that there's no legal way to create separate tax keys. Since the north lot along York Court is effectively the same size as typical lots throughout Wauwatosa, I don't see the logic of objecting to or preventing its development. I can cite many examples of relatively new construction on similar lots throughout the city in the past 10-20 years. So I have a property that I can't market or develop but must maintain and pay taxes on.

Of course I pay higher taxes for having a larger lot. However, the size of my property bears no relationship to my road usage and the road improvement doesn't benefit me proportionately more than any other homeowner. A more fair allocation to me would be a per capita allocation (same amount per household) or proportionate to property value.

There is court precedent supporting the concept that I shouldn't be disproportionately assessed since I don't receive a greater benefit (see Hildebrand v. Town of Menasha, 2011) which, in effect, states that assessments can only be made if the party receives "special benefits" and "uncommon advantage". The paving does not increase my services or enhance my property value. It specifically states that an "uncommon advantage" is a benefit that differs in kind, rather than in degree from those benefits enjoyed by the general public. In fact, I would argue the

situation could reduce my property value as it would be a deterrent to a buyer if my property can't be subdivided AND gets assessed disproportionately to other households.

Given my unique situation, I respectfully ask the council to consider reducing my assessment to \$1,750 based on the following examples:

- 1) 120 feet (portion of property that includes house) x \$12.50 = \$1,500
- 2) average household \$1,689
- 2) 50 feet x \$25 + 120 feet x \$12.50 = \$1,750 (the total cost of a typical Wauwatosa corner lot of 50 x 120 for total linear foot assessment if BOTH streets were assessed; I only have one now)
- 3) 60% of my linear footage (portion affected by current work) x \$3,400 (the highest residential assessment on 102nd)=\$2,040.

An assessment of \$1,750 puts me in line with other properties on the street and is still higher than the average household on the street.

Thank you for your time and consideration.

Regards,

Christine A. Mann

Ms Yatso,

I am forwarding your comments to our City Clerk to be on record.

Street assessments have always been a shared expense between the property owner and the city at large. If you have additional questions about the process, your assessment, or the work to be done you can contact your aldermen. I have copied both on this email to share your comments.

Respectfully,

Kathy Ehley

Part I. Subsection 9.08.020 A. of the Wauwatosa Municipal Code is hereby amended to read in its entirety as follows:

A. Except as provided in sub. B below and in secs. 9.04.070 and 9.04.080 of this code, it is unlawful for any person, firm or corporation to keep, harbor or maintain a hive or colony of honey bees in the City of Wauwatosa.

Part II. Sections 9.04.070 of the Wauwatosa Municipal Code is hereby created to read as follows:

### **9.04.070 Honey Beekeeping Permitted.**

Definitions.

The following definitions will be used in the interpretation and application of this section.

“Apiary”. Colonies, hives, and other equipment associated with Honey Bees assembled in one location for beekeeping operations; also known as a bee yard.

“Beekeeper”. A person who owns or has responsibility for one or more colonies of Honey Bees and has demonstrated to the Development Director or his or her designee that he or she has obtained formal education or training or sufficient practical experience to act as a beekeeper.

“Beekeeping Equipment”. Anything used in the operation of a Honey Bee apiary, such as hive bodies, honey supers, frames, top covers, and/or bottom boards.

“Colony”. An aggregate of Honey Bees in a hive consisting of workers, but having one queen and potentially many drones, including brood, combs, honey and the receptacle inhabited by the bees.

“Flyway Barrier”. A natural or manmade obstacle designed to cause bees to fly upward after exiting the hive and directing them away from neighboring and adjoining areas inhabited by humans. Barriers may be fences, or evergreen shrubs and are six feet in height.

“Hive”. The structure containing a colony of honey bees.

“Honey bee”. All stages of the common domestic Honey Bee, *Apis mellifera* species. Keeping of *Apis mellifera scutellata* is not permitted under any conditions.

“Swarm”. For purposes of this ordinance, a swarm is a propagation or colony of Honey Bees outside of its hive.

Part III. Section 9.04.080 of the Wauwatosa Municipal Code is hereby created to read as follows:

**9.04.080 Residential Beekeeping Practices. Location of Hives. Beekeeping Permit. Enforcement. Penalty.**

A. Honey Beekeeping shall be allowed in residentially-zoned districts within the City of Wauwatosa as follows:

1. No person shall acquire, keep or stock bees in the city unless they are Honey Bees and without first obtaining a valid beekeeping permit or as otherwise provided under section 9.08.020.
2. No more than two Hives are allowed on a residential lot. The hives forming the apiary structure must be located near each other to form a single apiary. A temporary third hive for hive splitting may be allowed for a reasonable period of time prior to its removal to another location.
3. All Honey Bees shall be kept in Hives with removable frames which shall be kept in sound and usable condition.
4. A closed fence, closed evergreen hedge, building or other solid Flyway Barrier or other barrier which the Development Director or his or her designee determines to be of sufficient height and effectiveness shall be located between the Hive(s) and the property lines for all Hives located within 20 feet of the property line. A Flyway Barrier is not needed if the Bee Hive is kept at least ten feet off the ground.
5. All Hives and related structures that form the Apiary may not be located in front or side yards and must be no less than 20 feet from the backyard property line. Location sites may be closer than stated limits with a signed written consent of the neighbor whose neighboring property is at issue.
6. Hives shall be located a minimum of 50 feet from an adjoining lot's recreational areas such as patios, porches, decks, gazebos, swimming pools, and permanently affixed play equipment unless the owner of the adjoining lot at issue has provided written consent for closer Hive placement.
7. A Beekeeper must continually provide water to bees from a source immediately within the Apiary to prevent bees from seeking water sources at nearby property.
8. In the event bees in a Hive repeatedly exhibit aggressive behavior, it shall be the duty of the Beekeeper to remove, destroy or re-queen the Hive.
9. All Apiary structures and Flyways must be constructed, located and maintained consistent with and in conformity to the property maintenance, landscaping and screening provisions of the city code.

B. Beekeeping Permit.

1. A beekeeping permit and fee shall be required for each household and is not transferable. A permit provides permission for honey beekeeping at the address listed in the permit application and by the permit holder only and shall not be transferable to another location or person. Upon vacating the property, the beekeeper must remove all apiary structures and bees from the property.
2. No permit fee may be refunded in whole or in part.
3. A permit shall be renewed and fee shall be paid within twelve months of the issuance of the initial permit. There shall be a penalty added for late payment of the permit fee as provided in the Consolidated Fee Schedule.

4. A permit is subject to revocation upon failure to comply with any provision under the code as determined in writing by the Development Director. Once a permit is revoked, a permit shall not be reissued for two years.

5. Neighborhood Approval and Site Plan Required. Before a permit is issued, applicants shall obtain for the city the written consent of the owners of all adjoining or diagonally abutting properties, including those across an alley. An applicant, if not the property owner, shall obtain the written consent of the owner of the property where the apiary shall be kept. An applicant must submit a scaled dimensional drawing, showing all adjoining structures and property lines together with the proposed apiary, to the satisfaction of the Development Director or his or her designee.

6. Applicants shall utilize beekeeping associations, classes and training or a combination thereof to obtain competency in beekeeping.

#### C. Prohibited Conduct.

Beekeepers shall comply with the following:

1. Any bee Colony not residing in a Hive structure intended for beekeeping or any swarm of bees not under active human management should be reported to the Development Director. No Beekeeper shall keep bees or Hives that cause any nuisance, unhealthy conditions, create a public threat or interfere with the normal use and enjoyment of any public property or property of others.

2. Hives shall be actively maintained and Hives not under active human management and maintenance may be ordered by the Development Director to be dismantled or removed. The Beekeeper shall have five days following written notice from the Development Director to bring the Hive into compliance. Any bee Colony residing in a Hive which by virtue of its condition has obviously been abandoned or improperly maintained by the Beekeeper is prohibited.

#### D. Penalties. Inspections. Enforcement. Appeal.

1. Penalties. Any person violating any provision of this chapter shall be subject to the general penalty provisions of this code, the penalties provided under this section and chapter 15 and citations issued pursuant to Wauwatosa Municipal Code section 1.24.010 and Wisconsin Statute section 800.02.

2. Inspections. In order to ensure compliance with this section and that there are no hazards or other issues present, a site inspection of the Beekeeper's premises and Apiary shall be required. If the Development Director or his or her designee deems it is appropriate to inspect a Hive, the Hive may be inspected by a qualified inspector designated by the Development Director at the Beekeeper's expense. Inspections under this section shall be performed during regular business hours and subject to prior notice to the Beekeeper.

3. Removal of Hive. Any Hive may be impounded or removed from the city for violations of this section upon order of the Development Director. The Beekeeper shall be responsible for costs of the impoundment or removal.

4. The Development Department shall issue permits and enforce the provisions of this code.

5. Appeal. Any person aggrieved by a determination or order of the Development Director or his or her designee may appeal in writing to the Board of Building and Fire Code Appeals within thirty days of issuance of the determination or order and may request a hearing before the Board of Building and Fire Code Appeals. The Board of Building and Fire Code Appeals shall conduct a hearing as soon as reasonably possible and no later than thirty days after receiving a request for a hearing. An appeal will not stay a determination, order or permit revocation.

Part III. Noncodified provisions.

The permit fee shall be set forth in the Consolidated Fee Schedule at the amount of \$50.00 per household for an initial permit and \$20.00 per annual renewal of such permit.

The committee shall review the ordinance six months after its effective date and again at a time twelve months following its effective date.

Part IV. This ordinance shall take effect on and after its date of publication.

Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on April 1, 2016. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 3. Redemption Provisions. The Bonds maturing on April 1, 2026 and thereafter shall be subject to redemption prior to maturity, at the option of the City, on April 1, 2025 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the City and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the City are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the City a direct annual irrepealable tax in the years 2015 through 2034 for the payments due in the years 2016 through 2035 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the City shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the City and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the City for said years are collected, except that

the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for \$6,200,000 General Obligation Community Development Bonds, Series 20154, dated April 1, 2015" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. The City Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the City at the time of delivery of and payment for the Bonds; (ii) any premium which may be received by the City above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the City, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the

Common Council directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the City and disbursed solely for the purpose for which borrowed or for the payment of the principal of and the interest on the Bonds. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose for which the Bonds have been issued has been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the City, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The City represents and covenants that the projects financed by the Bonds and the ownership, management and use of the projects will not cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of Bonds to be an arbitrage bond or a private active bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Bonds; Closing Professional Services. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the

Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 11. Payment of the Bonds: Fiscal Agent. The principal of and interest on the Bonds shall be paid by the Finance Director (the "Fiscal Agent").

Section 12. Persons Treated as Owners; Transfer of Bonds. The City shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 13. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the City and on file in the City Clerk's office.

Section 15. Official Statement. The Common Council hereby approves the Near Final Official Statement with respect to the Bonds and deems the Near Final Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the City in connection with the preparation of such Near Final Official Statement and any addenda to it or Official Statement are hereby ratified and approved.
