I. Street Vendor application by Alsum Sweet Corn for a fruit and vegetable stand at the northeast side of the Chancery parking lot, 7615 West State Street

Atty. Kesner stated that Mr. Alsum attended the Board of Public Works meeting that was held on July 6, 2015, however, his application for a Street Vendor license was not on the agenda and therefore no action could be taken. Mr. Alsum stated at the meeting on July 6th that the vegetable stand will be located on the Chancery parking lot located at 7615 W. State Street. The fruits and vegetables will be taken and stored off site each night. Engineering staff had one concern regarding the use of the parking lot and requested the applicant not use the center entrance area and have the same signage as last year to guide the public into and out of the parking lot.

Ald. Dubinski commented that he did not receive any complaints about this fruit and vegetable stand last year and he has spoken with Ald. Causier who stated the same.

Moved by Ald. Dubinski, seconded by Ms. Ledesma to approve the Street Vendor permit for Alsum Sweet Corn for a fruit and vegetable stand at the northeast side of the Chancery parking lot, 7615 W. State Street with hours of operation July 7, 2015 through August 31, 2015 from 10:00 a.m. to 5:30 p.m. Ayes: 4
