THE LAW ENFORCEMENT CODE OF ETHICS

AS A LAW ENFORCEMENT OFFICER, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against violence or disorder, and to respect the Constitutional rights of all men to liberty, equality and justice.

I WILL keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided in me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I WILL never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I RECOGNIZE the badge of my office as a symbol of public faith, and I accept it, as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself to my chosen profession..... law enforcement.

MISSION STATEMENT

The Wauwatosa Police Department exists to detect criminal acts and to apprehend the offenders of such acts. To this end, the department shall also preserve the public peace and safety of all citizens in accordance with the laws and statutes of the Federal and State governments and the ordinances of the City of Wauwatosa.

The police shall be diligent in working together with the citizens and members of the public to carry out the mission of this department. It shall be done in the most expeditious and efficient way possible; providing a high level of service while ensuring the rights and integrity of all who come into contact with members of this organization.

VALUES

We believe in the dignity and worth of all people.

We are committed to providing a high level of service to the community. We will work to solve problems within the community, protect the rights of all people, and treat all citizens in a respectful manner.

Within our own organization, we believe in working together to maintain a high quality work environment; striving to do our work in an excellent manner. We will continue to seek solutions to problems, and work to make certain our performance is always high quality.

BARRY M. WEBER
CHIEF OF POLICE

Dear Mayor, Members of the Common Council and Citizens of Wauwatosa:

In 2010, the Wauwatosa Police Department began a new canine (K9) program. Officer Tim Kastner was selected to go to training and was paired up with his new partner, Addy. Addy is a male, Belgian Malinois, and he and Officer Kastner trained together over a six week period. Addy is a great addition to our resources and we are still learning the versatility and uses for him.

We saw a number of people retire during the year. It is hard to say goodbye to many dedicated employees. It is also a wonderful opportunity to welcome new employees who are enthusiastic and excited to begin a new career.

Our technology is ever changing and we are on the “cutting edge”, until tomorrow, because the technology is ever evolving and never stagnant. This poses challenges to our department, because not all citizens are using the technology in a lawful and positive way.

It reminds us to be ever diligent, always working in partnership with our citizens, and continuing to seek more efficient ways to meet the needs of our city. The quality of life in Wauwatosa is high, and our citizens continue to have high expectations for us. Our employees do whatever is needed to get the job done and provide the service.

Trying to stretch budget dollars ever further is becoming more difficult. We will strive to offer the best service for the allocated dollars. The community expects nothing less. At the Wauwatosa Police Department.....neither do we.

Thank you for your continued support.

Sincerely,

Barry M. Weber

INTRODUCTION

The City of Wauwatosa has a population of approximately 46,000. The police department is authorized for 94 sworn personnel, which is a ratio of 1.9 officers per 1,000 of the population.

The Department, headed by the Chief of Police, is divided into two main bureaus; the Operations Bureau and the Administrative Bureau each commanded by a Captain.

The Operations Bureau consists of the Patrol Division, which includes the Special Operations Group (SOG) and the Special Response Team (SRT), the Investigative Division, the Personnel and Training Division and the Dispatch Center.

The Patrol Division is divided into 3 shifts that provide 24-hour service to the community. Each Patrol Division shift is commanded by a Lieutenant and 2 Sergeants are assigned as supervisors. There are 2 Accident Investigators/Evidence Technicians assigned to the 1st and 2nd shift, and 1 assigned to the 3rd shift. The Patrol Division responds to over 31,000 calls for service a year.

The Personnel and Training Division performs the hiring process of both sworn and civilian personnel. This division is commanded by a Lieutenant and is responsible for planning and providing training for all employees. This division is also responsible for the Dispatch Center and the 11 full-time civilian Dispatchers and 4 part-time Dispatchers.

The Investigative Division consists of 15 Investigators of which two are assigned to sensitive crimes and 1 as court liaison. The Division also has 1 Detective/Technician who specializes in fingerprint identification and also secures all recovered property and evidence for court cases. The Division is commanded by a Lieutenant on the 1st shift and a Sergeant on the second shift. All sworn personnel assigned to this division do investigations for both adult and juvenile activity. On average over 2,000 investigations are conducted each year. Assignment of investigations is based on priority with the most serious offenses assigned first.

In addition to conducting investigations, Investigators are responsible for fingerprinting persons for criminal identification, various license applications, and other instances where fingerprinting is required for a license, permit, or employment.

Responsibility for enforcement of the Juvenile Code also rests with the Investigative Division. Juveniles are referred to the Juvenile Court, social agency, or reprimanded and released.

The Patrol Division, in most cases, is the first responder to calls for service. For patrol purposes, the City has been divided into 7 squad areas; each patrolled by 1 or 2 officers. In addition, there are other directed enforcement squads in areas where crimes are being committed on a frequent basis. Primarily during the summer months, some officers are assigned to motorcycle patrol, bicycle patrol, and foot patrol.

The Accident Investigators/Evidence Technicians are responsible for the investigation of fatal or serious personal injury accidents as well as the investigation and follow-up on reported hit-and-run vehicle accidents. They are also assigned to photography and evidence collections and preservation of areas at major crime scenes.

The Administrative Bureau is supervised by an Administrative Captain and assisted by the Administrative Lieutenant and 2 Administrative Sergeants. The divisions of the Administrative Bureau are Records, Front Office, Jail, Community Support, Technical Services, Property/Equipment Division, Payroll, Information Systems, and Fleet Maintenance. Its main function is to provide support to the Operations Bureau through its divisions.

The Administrative Bureau is responsible for maintaining all records and reports retained by the department. The Records Division is also responsible for the sale and release of records based upon the Open Records Law of the Wisconsin Statutes.

The Community Support Division is under the command of a Lieutenant and a Sergeant. At present, the division consists of two officers who perform various community crime prevention related functions, three school resource officers, and a clerk. The primary duties of the officers include planning and implementation of the Neighborhood Watch and Business Watch Programs, which involve education and presentation of residential and business security and safety; the McGruff House Program, a Bicycle Safety and Enforcement Program, Wauwatosa Crime Stoppers, and supervision and liaison to the Wauwatosa Police Reserves. The School Resource Officers are assigned to the secondary schools during the day Monday through Friday. The SRO works to protect school, staff, and students from crime and violence and to serve as an immediate resource to staff and students.

The Administrative Bureau presently consists, 6 full-time civilian Desk Clerks assigned to the Front Office and 3 clerks in the Records Division and 1 Warrant Clerk. There is a secretary to provide support to the Chief of Police, a secretary for the Administrative and Operations Captains, a full-time clerk in the property room, a clerk for Community Support Division, a clerk to handle Payroll, and a System Analyst to assist with data for our Public Safety Information Systems.

Front Desk Clerks handle all non-emergency phone calls, providing information by telephone and in person, process payments for all fines, permits and fees related to both traffic and non-traffic offenses. Clerks collect fees for licenses, write minor incident reports enter warrants and information is provided by both telephone and in person.

The Personnel Budget, Operating Budget, Capital Budget, and Program Budget are prepared on a yearly basis by the Administrative Bureau. In addition, all purchasing from the approved budget is coordinated through the Administrative Bureau.

Records of police activity are maintained in the Records Division in several ways. Criminal complaints for the current year and the prior 3 years are maintained in the Records Division itself. Reports dating back 7 years are stored in the archives of the department. Major crime reports are stored indefinitely. Reports are filed by classification code of the offense. Since 1989, a computer log derived from the CAD (Computer Aided Dispatch) system has been maintained containing the most important information regarding the report.

RECOGNITION AWARDS

On the evening of June 1, 2010 the following awards were presented to Officer Abby Pavlik and our many other dedicated officers who responded to a call of an armed robbery on December 13, 2009. Officer Pavlik was shot that evening when coming upon the actors involved.

POLICE PURPLE HEART AWARD: An award granted to any sworn member who has been seriously, critically or fatally injured while in the performance of police duty. In addition, this award may be conferred if injury was averted by wearing body armor. This award will be limited to those cases resulting from attack by an assailant, personal combat or the performance of an act of valor.

Officer Abby Pavlik

MEDAL OF VALOR: An award granted to a member for an act that is clearly and unmistakably indicative of personal bravery or self-sacrifice above and beyond the call of duty, so conspicuous as to clearly distinguish themselves for gallantry and intrepidity above their associates, involving either risk of life or great bodily harm, or the performance of an act wherein they are faced with more than ordinary hazards of this service.

**Officer Abby Pavlik
Officer Chad Geiszler**

LIFE SAVING AWARD: An award granted to a member for a successful effort in saving a human life, which involved exceptional courage or performance.

**Officer Jeremy Bronner
Officer Luke Vetter**

DEPARTMENTAL COMMENDATION: An award granted to a member for an act which displays outstanding achievement or brings credit to the department or which involves performance above and beyond that required by an officer's basic requirement.

**Lt. Timothy Sharpee, Sgt. Tanya Karnick, Lt. Dennis Davidson,
Sgt. David Moldenhauer, Officer Stephen Kirby, Detective Timothy Lilly,
Detective Technician Lisa Hudson, Detective Daniel Collins,
Detective Michael Schultz, Detective Brian Skornia,
Officer Daniel Akins**

MERITORIOUS ARREST CITATION: An award granted to a member for outstanding and exceptional employment of trained police investigative and interrogative skill, ability, and intensity in the arrest and clearance of felony category crime(s). To be taken in consideration is the complexity of the crime, not merely the nature of same. The member's powers of observation, prowess, and knowledge of criminal activity and/or tactical approach to a crime in progress demonstrate the member's professionalism.

**Officer Russell Richardson, Detective James Short,
Detective Randal Burnett**

LETTER OF APPRECIATION: A letter issued by the Chief of Police to a member in recognition of a noteworthy accomplishment or contribution provided to the department.

Detective Paula Roberson, Detective David Hoppe,
Detective Keith Werner, Detective Ralph Torrez, Detective Jeffrey Lane
Detective Timothy Brenzel, Detective Fred Carsky**

MERITORIOUS SERVICE CITATION: May be awarded for the exemplary performance of a task, mission or assignment demonstrating unusual thoroughness, conscientiousness, determination, skill and initiative. The award shall consist of a plaque and certificate with narrative.

**Dispatcher Michael Brault
Dispatcher Katherine Glisch**

LETTER OF APPRECIATION: May be issued in recognition of some noteworthy accomplishment.

**Dispatcher Annette Demeuse
Dispatcher Tamara Krueger**

Additional awards presented throughout the year 2010 are:

On March 25, 2010 a ***Letter of Appreciation*** was presented to **Officer Patrick Kaine** for his actions on February 25, 2010. On that day, while off duty, he observed a subject suspected of committing burglaries within Wauwatosa. He monitored the subject while calling and requesting an on-duty squad. This subject was arrested and two burglary cases were cleared along with recovery of stolen property.

On July 12th, 2010 **Officer Joseph Roy** was presented with the ***VFW National Law Enforcement Award*** by Post #6498 Veterans of Foreign Wars. Officer Roy was also presented with a ***Certificate of Recognition Award*** by the department for having received this acknowledgement for his service to the department and his country.

The National Committee for Employer Support of the Guard and Reserve presented **Chief Barry Weber** with the *Freedom Award*, recognizing the Wauwatosa Police Department as a patriotic employer.

Officer Brad Isaacson and Chief Weber - Freedom Award

LETTERS OF APPRECIATION

Sworn and non-sworn employees and the Department received many letters from victims of crimes and motor vehicle accidents, school children, other departments, and citizens of the City of Wauwatosa expressing their thanks for services provided and the manner in which the Department employees dealt with them. All letters serve to inspire the Wauwatosa Police Department to continue to strive to serve the community to the best of our ability and are gratefully appreciated by the staff.

THANK YOU!

Operations Bureau

The Operations Bureau is responsible for all functions related to the Patrol Division, Investigative Division and Personnel and Training.

The Patrol Division is divided into 3 shifts that provide 24 hour service to the community. The Patrol Division responded to over 30,000 calls for service in 2010.

The Investigative Division reviewed over 2,000 investigations this year, of those, nearly half required full investigations. Cases assigned to detectives vary in great degree from one case to the next. Some cases are cleared after only a few hours of work and do not require significant investigation. Other cases require hundreds of hours of investigation. Assignments are based on priority with the most serious offenses assigned first.

The Special Response Team (SRT) consists of select, highly trained members of the Department who are normally assigned to the Patrol or Investigative Division. SRT members are on 24 hour page and the team is activated for “high risk” situations. The primary goal of the SRT is to utilize the minimum amount of force necessary to bring a safe resolution to high-risk situations and to reduce risk to citizens and officers.

Police Motorcycle Unit

Six specially trained officers, assigned to the Day and Early shift Patrol Division make up the Police Motorcycle Unit. Established in the fall of 2008, the Motorcycle Units primary function is traffic enforcement and special events.

Police motorcycles are deployed from April 1 – November 1, 2010.

SPECIAL RESPONSE TEAM (SRT)

The Wauwatosa Police Department Special Response Team is presently divided into four units. Currently the team is lead by a Team Commander, Lieutenant Timothy J. Sharpee. Sergeants James Mastrocola, David Moldenhauer and Brian Zalewski serve as Team Leaders. The following is a breakdown of the Special Response Team.

The Entry Unit is comprised of six (6) officers and a sergeant who serves as the team leader. The Entry Units primary responsibility is that of dynamic and stealth applications of room clearing, hostage rescue, vehicle/bus assaults, and the execution of high-risk search/arrest warrants. Members on the Entry Unit are also specially trained in the use of: ballistic shields, distractionary devices, chemical munitions, the use of entry tools, close quarters combat, and the use of explosives for dynamic entries.

The Rifle/Scout Unit is comprised of seven (7) officers and a sergeant who serves as the team leader. The primary responsibility of the Rifle/Scout Unit is to control the inner perimeter of a target location during a tactical situation. Rifle/Scout members are usually the first in the field of a tactical situation, and provide crucial information regarding the target location. Each member is equipped with camouflage battle dress uniforms, a rucksack for equipment in the field, and a Colt AR-15 assault rifle. Rifle/Scout members also cross train with the Entry Unit, and must be proficient in room clearing techniques.

The Selective Marksman Unit is comprised of four (4) officers and a sergeant who serves as the team leader. Selective Marksman are equipped with the Remington .308 tactical rifle, and several types of camouflage uniforms needed for an urban environment. The primary responsibility of the Selective Marksman is that of forward observers. They are able to obtain vital information about a target location. The Selective Marksman also provides protection to officers in the area and to the Entry Unit as they make their approach to the location of the threat.

The Crisis Negotiation Unit is comprised of five (5) negotiators. The Crisis Negotiation Unit is under direct supervision of the Team Commander. Negotiators are specially trained personnel designed for the safe handling of a situation such as a barricaded subject, hostage situation or a suicidal subject. Negotiators have regular training, and attend several of the SRT training sessions. The negotiators are an invaluable tool to the Special Response Team.

The Entry, Rifle/Scout and Selected Marksman Units train approximately 16 to 24 hours a month. This training does not include any specialty training schools that officers attend throughout the year. Some of the training schools attended by members of SRT were taught by members of the Los Angeles Police Departments S.W.A.T. Team Platoon D, The Milwaukee Police Departments Tactical Enforcement Unit, The Federal Bureau of Investigations, Team One Training Division, National Tactical Officers Association, Association of S.W.A.T. Personnel and by the Midwest Tactical Officers Association – Wisconsin. Members of the SRT also conduct departmental training in room clearing and extraordinary deployment techniques.

In order to maintain membership on the SRT officers must pass a weapons qualification course and a physical fitness test twice a year. The physical fitness test is administered in the winter and summer each year. The test consists of an upper body strength test, and completion of a 1.5 mile obstacle course.

- 97 Simple (Hands, feet, etc.)

In 2010, there were 1,526 cases of Larceny – Theft reported.

2010 Investigative Bureau Highlights

Detective Bureau Organization and Personnel Changes

During 2010, the Detective Bureau had numerous personnel changes due to retirements, reassignments, and promotions.

Detective Fred Carsky retired after 31 years of service. Detective Carsky joined the department in June of 1979, and retired in April 2010. Detective Carsky had worked as a Patrol Officer, an Accident Investigator, a Youth Aide Investigator, and finally, as a Sensitive Crimes Detective. Fred will be missed.

Detective John Dubinski retired after 31 years of service. Detective Dubinski joined the Department in June of 1979, and retired in December 2010. Detective Dubinski started as a Patrol Officer and was promoted to Detective. As a Detective, he became the Department's resident expert in computer crime investigation. John will be difficult to replace.

Municipal Clerk II Dorothea Sarandos retired on December 30, 2010. She began her employment with the City in December, 1980 as a Clerk and was most recently part of the Investigative Division as the Property Clerk.

Detective Daniel Collins was promoted to Sergeant in July of 2010. Sergeant Collins assumed the newly created Detective Sergeant position commanding the Detective Bureau on the early shift.

Detective Keith Werner was promoted to Sergeant in October of 2010. Sergeant Werner was one of the most experienced investigators this department has had. His skill will be missed as he takes on new challenges in the Patrol Division.

Robin Schumacher was promoted to Detective in June of 2010. She is currently assigned to the day shift. Detective Schumacher, in addition to general investigations, specializes in human trafficking and drug investigations.

John Miltzky was promoted to Detective in August of 2010. John is assigned to the early shift.

Michael Romeis was promoted to the position of Detective in December 2010. He is assigned to the early shift.

The Special Operations Group (SOG) had a rotation of personnel due to promotion and completion of assignment.

Major Crimes Solved

Homicide

On 01-21-10, Officers responded to 6711 Vista Ave. to assist the Milwaukee Police Department with a missing person's case. Sarah Rosio had been missing from her Milwaukee apartment for about one week. Due to the history of domestic violence between Rosio and Benjamin Germano, who is the father of her two year old daughter, Officers were sent to Germano's residence in an attempt to locate Rosio. Germano denied any knowledge or involvement in Rosio's disappearance.

During the investigation, Officer Bronner made contact with Germano's girlfriend at the residence. After interviewing her, Officer Bronner asked the girlfriend to contact him if she found anything out about Rosio's whereabouts. A short time later, the girlfriend contacted Officer Bronner and informed him that Germano had confessed to her that he killed Rosio.

Detectives immediately met with the girlfriend and were able to record a phone conversation between Germano and the girlfriend, in which Germano confessed to the killing and divulged where he had hidden her body. Rosio's body was subsequently recovered inside a shipping container at a business in West Allis.

Germano then fled Wisconsin and with the assistance of the Milwaukee Police Department and the US Marshall's Service, Germano was apprehended in New Castle, Colorado after a vehicle pursuit. He was interviewed by Wauwatosa PD Detectives and extradited back to Wisconsin.

Prior to the trial, Detectives searched NEWPRS, which is an on-line database containing information on purchases made by second hand dealers in Southeastern Wisconsin. It was discovered that Germano had sold a pair of Rosio's diamond earrings at a jewelry store in the City of Greenfield after committing the murder. This information was cited by Germano's attorney as the catalyst for Germano pleading guilty. He was found guilty of 2nd degree intentional homicide and sentenced to 25 years in prison followed by 15 years of extended supervision.

Sexual Assault of a Child, Solicitation to Commit Homicide

On March 6, 2010, Wauwatosa officers arrested a 48 year old man, Sunil K. Singh, after he abducted a 14 year old girl, drove her to a residence in the area of 111th & Meinecke, sexually assaulted and beat her there; and then abandoned her before attempting to flee the area. A neighbor came to the aid of the girl and called police. Officers responded and stopped Singh as he was driving away.

Extensive investigation tied Singh to the scenes of both the abduction and the sexual assault. He did confess to his crimes during interviews with detectives. Later, while awaiting trial in jail, Singh attempted to solicit a fellow inmate for assistance in having the victim killed. He was subsequently charged criminally for that as well.

Singh has pled guilty and is scheduled to be sentenced in April 2011.

Three Men Found Guilty in Attempt Homicide of Police Officer, Armed Robbery, Home Invasion

In June 2010, court proceedings took place for the three men arrested in the December 2009 shooting of Officer Abby Pavlik, and the armed robbery of the Happy Wok restaurant.

The shooter, Michael Dengsavang, maintained his innocence from the time of his arrest, but after a week-long trial the jury thought otherwise and judged him guilty of Attempted Homicide, Armed Robbery and Burglary. He was sentenced to 55 years in prison.

Thongsavahn Rodthong pled guilty to being Dengsavang's accomplice and was sentenced to 24 years in prison. Paul Phonisay pled guilty to being the getaway driver and received a 12 year prison sentence.

Residential Burglaries

During the month of December, 2010, there was a drastic increase in residential burglaries on the east end of Wauwatosa. Detectives investigated approximately eleven burglaries in which homeowners' doors had been pried and forced open. The subjects typically stole jewelry, electronics, and flat screen televisions. The burglaries occurred in the evening hours during the week, as well as on weekends and the holidays.

Due to the nature of these crimes, Detectives utilized a wide variety of investigative tools. Many of the crime scenes were processed for DNA evidence, footwear impressions, tool markings, or other evidence that may have been left behind by the subjects. A recently created computerized property database provided the first substantial lead. During one of the burglaries a unique gold pendant had been taken. That same pendant was subsequently sold to a jewelry store in a neighboring jurisdiction by a subject and Detectives had a potential suspect.

Although technology greatly assisted in the collection of evidence and the development of a possible suspect, it wasn't enough. Several Detectives and members of the Special Operations Group (S.O.G.) also spent many hours conducting physical surveillance of the suspect while working to identify his associates. The extra effort and hours paid off when Detectives arrested two subjects during the act of committing another burglary.

Through interrogations of the subjects arrested, Detectives learned of a third subject involved that was eventually arrested as well. Because of a cooperative effort and sharing of information with Milwaukee P.D., Whitefish Bay P.D., and Glendale P.D., additional burglaries were also cleared in those jurisdictions. The three responsible subjects are currently in custody awaiting trial, and the frequency of residential burglaries has been significantly reduced.

SPECIAL OPERATIONS GROUP

The SOG unit consists of two officers and one sergeant. In 2010, PO Robin Schumacher and PO David Cefalu were assigned to the unit. The unit participated in several joint drug investigations with DCI, MPD, and the Waukesha County METRO unit. The SOG unit also assisted in numerous surveillance assignments regarding armed robberies, burglaries and home invasions. The SOG unit spent more time this year assisting the Detective Bureau with investigations. This included surveillance, apprehensions and technical support with search warrants and phone subpoenas.

One significant case was an overdose death from July 13, 2008, in which Louis M. Kalajain was found dead inside the apartment at 6110 W Lisbon Ave #3. MPD did not have any suspects in the case. With the assistance of several detectives, the SOG unit utilizing a Confidential Informant (CI), was able to make several heroin buys from the primary suspect. During these buys, the suspect also made incriminating statements to the CI which were recorded. The co-conspirator in the case also made incriminating statements during these deals. Based on SOG's investigation the main suspect, Tracy Schaefer was charged with two counts of delivery of heroin and one count of Reckless Homicide. She pled guilty and was sentenced to 5 years initial confinement and 6 years probation. Charges on the co-conspirator are pending.

The SOG unit also conducted a joint investigation with ATF which resulted in the recovery of four guns, one of which was taken in a burglary at Streichers. In another investigation, a search warrant was served and a gun was recovered that had been stolen from a Mukwonago police officer's car in Oak Creek.

The total drug seizures for the 2010 year were as follows: 4,271 grams of marijuana, 69.46 grams of cocaine, 6.58 grams of heroin, and 13,547 pills including Vicodin, Oxycodone, Morphine and Percocet. The SOG unit arrested over fifty suspects for drug related felonies, along with numerous misdemeanor offenses.

The total assets received in 2010 are as follows:
Federally, we received \$4272.15 and two vehicles, a 2002 Dodge Ram and a 2005 Chrysler 300, in asset forfeitures. Approximately \$8000 and 4 vehicles are still pending in asset forfeiture.

A reportable police-juvenile contact is defined as an act of juvenile misconduct of such magnitude as to warrant a formal juvenile report.

Wisconsin Statute Chapter 938 has now been added to the Juvenile Justice Code. The purpose of this chapter is to promote a juvenile justice system capable of dealing with the problem of juvenile delinquency; a system which will protect the community, impose accountability for violations of the law, and equip juvenile offenders with competencies to live responsibly and productively. Further, the legislature intended to better protect citizens from juvenile offenders and hold juveniles directly accountable for their acts.

According to the legislature, Chapter 48 will continue to provide for the care, protection and wholesome mental and physical development of children; preserving the unity of the family whenever possible.

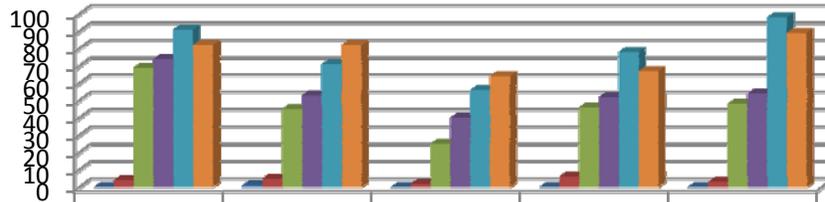

Under Wisconsin Law Statute 48.19(3), juveniles “taken into custody” to investigate an alleged violation are not considered “arrested”. However, the UCR Program uses the term “arrest” for both adults and juveniles to describe apprehension. This annual report based upon UCR data also uses the term “arrest” in the latter sense.

PERSONNEL AND TRAINING

PERSONNEL

In the year 2010, ten officers retired. The department hired five officers to fill these vacancies. Also in 2010, three candidates began the hiring process and started with the department in January 2011. Each officer completed a rigorous 14 week Field Training program before being assigned to solo patrol. This program ensures that the officers become familiar with all aspects of policing and the City.

TRAINING

The department places a strong emphasis on firearms and DAAT (defense and arrest tactics) training. Each officer receives a minimum of 24 hours of training annually, which is mandated by the Wisconsin Department of Justice.

In addition to the basic in-service training (912 hours), officers and civilians received a total of 5,579 hours of specialized training in such areas as: Supervision and Leadership, Interview and Interrogation, S.W.A.T, Death Investigation, Crime Prevention, Crime Scene Investigation, Computer Crimes, Accident Investigation, Instructor Development, Dispatching, Computer Applications, Missing Children and School Resource Officer. Officers also train monthly in the following areas:

- Firearms
- Defensive and pursuit driving
- DAAT (defense and arrest tactics)

911 EMERGENCY DISPATCH CENTER

Wauwatosa's Dispatchers boast careers ranging from a year to over thirty- five years. It can be said that a day in the life of a Dispatcher can be challenging, surprising and interesting, no matter how long you have worked here. Assisting and helping protect Wauwatosa citizens and others who come to our City along with our Police Officers and Fire Fighters is our main focus.

New advances in technology continue to be assets to the Wauwatosa Police Department. Our Dispatchers play an active role with these technologies. Dispatchers are the first line of surveillance in monitoring the state of the art equipment and covert software to alert our officers and detectives on the street.

Wauwatosa's ten full-time and four part-time dispatchers find themselves increasingly busy assisting citizens with emergency medical responses, fire responses and routine to in-progress calls for police.

Wauwatosa is the MABAS (Mutual Aid Box Alarm System) facilitator for Milwaukee County. When a major fire, EMS incident or disaster occurs in Milwaukee County, Wauwatosa Dispatch will request assistance from mutual aid departments and coordinate services.

Calls for police generated 32,242 assignments in 2010, along with calls for fire and EMS totaling 5,327 assignments.

ADMINISTRATIVE BUREAU

The Administrative Bureau performs line and staff functions relating to planning, directing coordinating, organizing and evaluating police activity at the administrative level. It is also responsible for short and long term planning and research of departmental objectives.

The Administrative Bureau develops the annual department budget, and the Bureau maintains fiscal control of the budget.

Administrative Bureau divisions are: Records, Technical Services, Jail, Front Office, Warrants, Maintenance and Payroll.

The Bureau maintains and provides public access to department records as specified in State law as well as being responsible for the record-keeping function of the department.

It is a liaison arm to various committees of the Common Council and other City Departments.

Preparation of department policy, operating procedures and other information necessary to department operation are prepared and coordinated within the Bureau.

COMMUNITY SUPPORT

The Community Support Division embodies the Wauwatosa Police Department's philosophy of community oriented policing. This philosophy enables its officers to function as community workers and organizers to work with other service providers and alongside neighborhood residents. The goal is to assist the public to prevent, resist and eliminate crime and other disorders in their neighborhoods while adhering to the Constitution and the rule of law.

The Community Support Division provides citizens, community groups, businesses, schools, and social and civic groups with programming aimed at establishing and maintaining productive partnerships. Emphasis is directed at recognized and potential problem areas while strengthening the established programs.

An Operations Lieutenant with a staff of one Sergeant, five Officers and a Civilian Municipal Clerk comprise the Community Support Division.

NEIGHBORHOOD WATCH MCGRUFF HOUSE TOSA'S NIGHT OUT

The City of Wauwatosa Neighborhood Block Watch Program grew in 2010 to 621 neighborhoods. Volunteer Block Captains and their respective neighbors continue to participate in this proven crime prevention program. Neighbors working together, in cooperation with the Police Department, make Block Watch work.

The Wauwatosa McGruff House program is at 268 “safe house” sites at the end of 2010. Volunteer Wauwatosa residents who successfully pass a background check can become a safe refuge for a child in need. A yellow McGruff sign in their front window easily identifies McGruff participants.

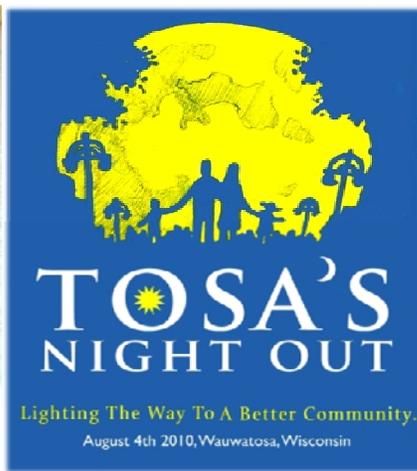

Wauwatosa’s 2010 Tosa’s Night Out festivities took place on August 3rd. A fabulous turnout made our 16th annual event a terrific success. Built on the premise of “Community – Police Partnerships”, the following event statistics clearly show that this concept is alive and well in Wauwatosa.

➤ Hart Park Festivity Attendance	5,100
➤ Block Watches Represented	575-595 (96%)
➤ Neighborhood Associations Represented	26 of 26 (100%)

Much of the credit goes to our corporate sponsors and countless volunteers who graciously donate financially, with products and services, and with their time.

In addition, the success of Tosa’s Night Out relies on the overwhelming support of the community at large. Continued interest in education, prevention, and cooperation has made Tosa’s Night Out one of Wauwatosa’s most celebrated events.

WAUWATOSA POLICE RESERVES

The Wauwatosa Police Reserve unit is a group of volunteer men and women from Wauwatosa and the surrounding area who augment the Wauwatosa Police Department throughout the year. Formed in 1942, the Wauwatosa Police Reserve unit has the distinction of being one of the oldest in the country.

In 2010, the Reserves consisted of 42 active members divided into four platoons. The Reserve unit has their own command staff consisting of a Captain, Executive Lieutenant, Treasurer, and Secretary. Each platoon is guided by a Lieutenant. The Chief of Police has the final authority to command, train, control, and supervise the reserve unit.

Reserve members are trained to assist the police department in emergency situations, as well as, routine events including; parades, festivals, walks, runs, and Tosa Night Out festivities. Each member must commit to a minimum of 75 hours of service per calendar year. Included in the commitment is training, monthly meetings, and squad riding activities. Most reserves routinely exceed the minimum hour requirement.

The Reserve unit requires that each member is trained in weapons familiarization, traffic control, and Defense and Arrest Tactics (DAAT). All members participate in refresher firearms and DAAT courses each year.

Reserve Officers volunteer for many reasons including serving the community, valuable real life training, and gaining a perspective into law enforcement as a career.

WAUWATOSA CRIME STOPPERS, INC.

WAUWATOSA CRIME STOPPERS, INC. is a cooperative effort between the police department, the media, and the citizens of the community dedicated to the prevention and detection of crime. Crime Stoppers is a non-profit entity administered by an Executive Board comprised of four citizen members and a larger Advisory Board consisting of the Executive Board members and at least 10 additional citizens. Crime Stoppers meets on a monthly basis and the Advisory Board with all activities coordinated through the Police Department by a police coordinator.

Tips on crimes and criminal activity, which in many cases would go unsolved or undetected, are received on an unrecorded 24-hour tip line. The callers, who remain completely anonymous, are assigned a secret code number and the report is forwarded to the police coordinator who determines the proper police investigative channels.

Ultimately, if an arrest or apprehension is made through the information provided, the Board of Directors determines the amount of reward to be paid, up to \$1,000.00. Funding for this program is raised through private donations and no taxpayer dollars are involved in the administration of the program.

Presentations explaining the Crime Stoppers program are made on a continuing basis to local service clubs and organizations. In addition, weekly updates on crime incidents strategically placed in glass-enclosed bulletin boards in the Wauwatosa secondary schools have provided an abundance of calls to the tip line, and have added greatly to the success of the program.

In 2010, Wauwatosa Crime Stoppers received 14 tips, which resulted in 5 arrests with reward payouts of \$700, along with \$3,453 in recovered property and \$4,420 worth of recovered contraband.

SCHOOL RESOURCE OFFICER PROGRAM WAUWATOSA POLICE DEPARTMENT

The School Resource Officer (SRO) program was initiated in September 2005. The SRO's are assigned to the Community Support Division, and serves under the direct supervision of the Community Support Sergeant. With the addition of a second SRO in January, 2007 and a third in September, 2008, Wauwatosa has one SRO assigned to each high school and one SRO responsible for responding to the middle schools and elementary schools when needed. The SRO is a uniformed position Monday through Friday, from 7:30 am to 3:30 pm.

The overall scope of responsibilities of the SRO is basically unlimited. Specific duties of a SRO officer are, at this time, expected to include the following responsibilities:

- Promotes rapport between police officers and students in the secondary schools.
- Works to protect school, staff and students from crime and violence.
- Serves as an immediate resource for staff and students.
- Conducts criminal and quasi-criminal investigations in the secondary schools that occur during the school day, which would have necessitated the dispatch of a patrol officer.
- Handles follow up investigations of crimes or other issues in the schools.
- Makes arrests of students, as appropriate.
- Coordinates SRO efforts with the Detective Bureau of the police department.
- Promotes a working relationship with other police-student resources in the Wauwatosa School District.
- Makes presentations to students, parents, and staff members on law, law enforcement, safety issues, and good citizenship.
- Refers troubled students to proper professional resources within the guidelines of school policies, as needed.
- Works with parents of runaway students.
- Counsels students who are established juvenile offenders.
- Coordinates the Crime Stoppers Program in the secondary schools.
- Attends various school functions as deemed necessary, such as secondary graduations, proms, dances, certain athletic events, etc.
- Meets periodically with the school district administration to discuss and evaluate the SRO program.

From January to June and September to December, 2010, the School Resource Officers responded to over 402 calls for police service including child abuse, battery, robbery, disorderly conduct, theft, possession of controlled substances, intoxicated juveniles and possession of tobacco products by minors, warrants, missing juveniles, threats, vandalism, and truancy.

The SRO's have also made over 140 presentations to students, staff, and parents on such topics as personal safety, drug & alcohol awareness, internet safety, bullying, conflict resolution, juvenile law, and legal consequences.

GRANT PROGRAMS

The department has received the following grants starting in 2010:

- Traffic Grants from the Bureau of Transportation Safety – The following traffic grants were awarded to the department in 2010-2011:
 - \$30,000 Speed Enforcement Grant.
 - \$40,000 Alcohol Traffic Enforcement Grant – This grant enabled our department to be involved in the first ever Multi-Agency OWI Enforcement Task Force, which has resulted in numerous drunk driving arrests.
 - \$2,000 Pedestrian Safety Traffic Grant.
 - \$2,000 Bicycle Safety Traffic Grant.
- Byrne Justice Assistance Grant (JAG) Program was awarded to the department in the amount of \$19,743.00 to be used for equipment and technology upgrades or improvements.
- The department still participates in the Federal Bullet Proof Vest Grant program which is a multiple year vest reimbursement program for our officers.

RECORDS

Under the direction of the Administrative Bureau Commander, the Records Section is operated Monday through Friday with a lead clerk and 2 additional clerks. The public is served with counter service and inquiries via telephone. Each call handled by the department generates a record. The department logged 30,515 calls in 2010.

Data is interfaced with the Wisconsin Department of Justice, which provides crime data to the FBI. Statistics are projected to various agencies of law enforcement.

Criminal complaints for the current year and past 3 years are kept within the unit. Reports dating back 7 years are stored in the archives. Serious *Index Crimes* are kept indefinitely. Reports are classified by code of the offense.

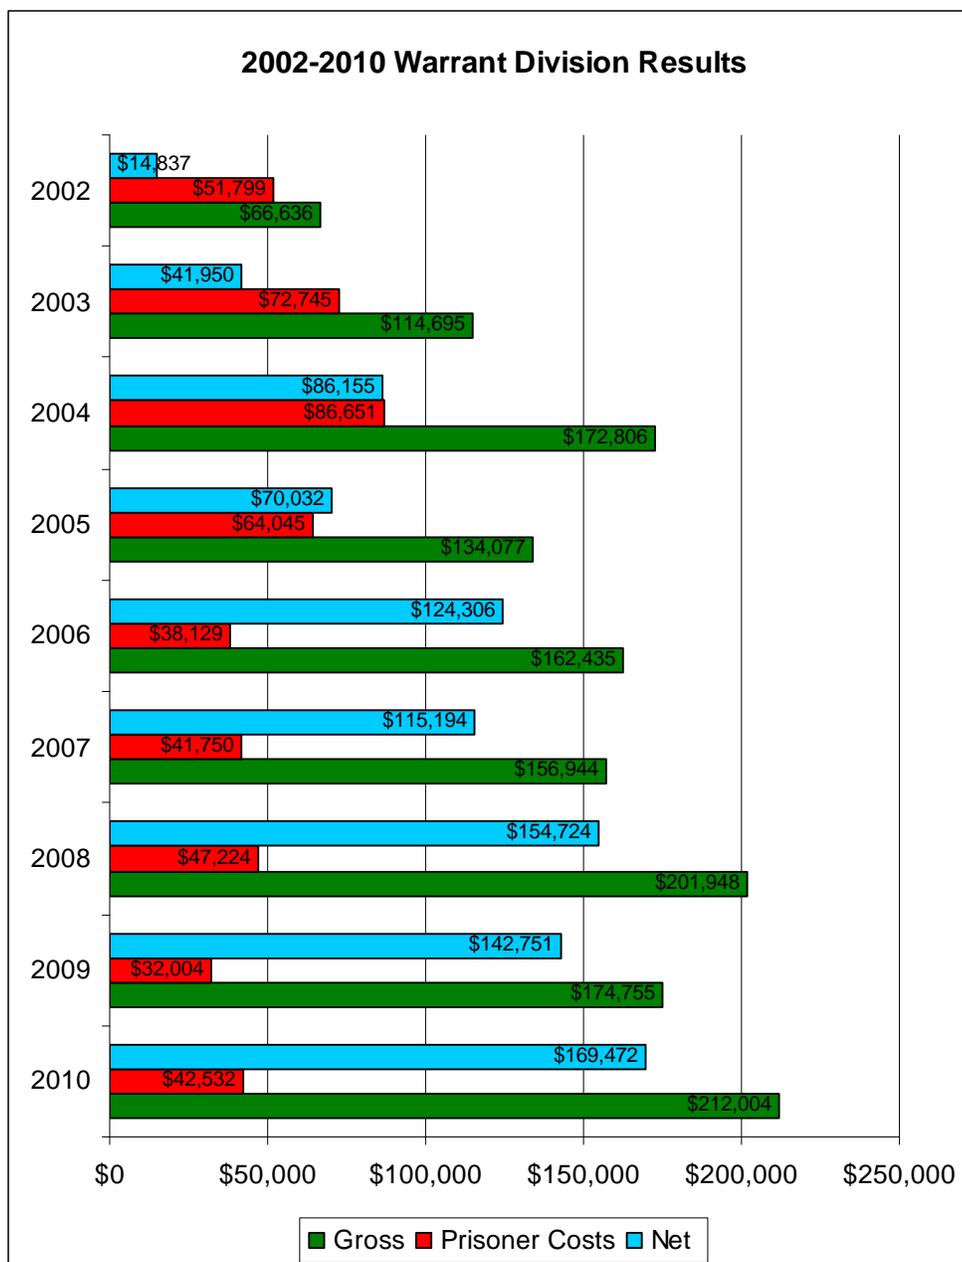

POLICE DESK

Also under the direction of the Administrative Bureau Commander is the Police Desk. The “front desk” as it is known is open for public business Monday through Friday from 8 AM to 11 PM. The clerical staff of 6 is responsible for answering all incoming non-emergency telephone calls, data entry of all citations issued, and processing of all payments made to the department. The clerks also perform clerical functions related to supporting officers on the street and processing arrest warrants.

WARRANTS

The year of 2010 was the best year ever for the Warrants Division. Monies collected for outstanding warrants increased from the previous year by 21% reaching \$212,004. Prisoner Costs were 20% of the Gross dollars collected. This is a 2% rise from 2009. In the end the Warrants Division ended up with a net of \$169,472. Contact by personnel of the Warrants Division accounted for 75% of the warrants paid for at the Police Station.

Warrants Division personnel persuaded 679 fugitives to voluntarily turn themselves in to the Police Station either to post bond or sign for a new court date depending on the type of warrant they had. Another 155 warrants were cancelled through the Tax Refund Intercept Program. By the end of 2010, a total of 2300 warrants had been cancelled through various means, an increase of 26% from 2009. This was also the first year where there were more warrants cancelled than entered.

Public notice of fugitives continues as the Local and Complete Hotlist is updated on the City's website and the City's Cable TV access channel. The Hotlists can also be found at the Police Station or people can sign up either in person or by e-mail at Warrants@wauwatosa.net and have the Hotlists e-mailed directly to them.
