

New Vaccination Guidelines

A photograph of four children of diverse backgrounds looking at a tablet computer together outdoors. The children are engaged and curious, with one pointing at the screen. The background shows green foliage and a brick building.

Parents, we want you to know beginning October 1, 2012

If your child is insured,

please make an appointment with your primary care provider for vaccinations.

If your child is *Vaccines for Children*

(VFC) eligible, you can continue to visit the local health department for vaccinations.

For more information:

Who is VFC eligible?

Children through 18 years of age who are:

- **Medicaid** eligible
- **Uninsured**
- **American Indian or Alaska Native**
- **Underinsured** (has health insurance, but the coverage does not include all vaccines or only covers selected vaccines. Speak with your local health department for specific eligibility requirements.)

Fall is a busy time, plan ahead!
