

Wisconsin Wins--Wauwatosa

November 2013 Inspection Results

Tobacco sale compliance investigations were conducted by the Wauwatosa Police Department (WPD) and students from a local school. Minors under the supervision of WUPD entered 32 local establishments and attempted to purchase tobacco. The students were unsuccessful in their attempts to purchase tobacco at 28 establishments. Four stores did sell a tobacco product to an underage volunteer. The sales occurred at 7/11, 11216 W. Blue Mound Rd; Blue Mound Shell, 10636 W. Blue Mound Rd.; Mobil, 12331 W. North Ave; and Currie Auto (Citgo), 10745 W. Capitol Dr. The sales were made after an identification card was checked. In one instance, the identification card was not checked and the age of the volunteer was not asked. The sellers of the tobacco were issued a citation for the sale of tobacco to an underage person.

Be sure to support the following establishments as they continue to abide by the laws that protect our youth from tobacco:
