NOTE:

Please be aware that residents are no longer allowed to drive their vehicles into the Transfer Station to unload materials. All items brought to the Public Works Yard for disposal must be placed into one of the designated boxes inside the fence in the Drop-off Center. Your cooperation is appreciated to ensure the safety of both the employees and the public. If you have any questions, please contact Wauwatosa Public Works at 414-471-8422 or Advanced Disposal at 262-679-0860.

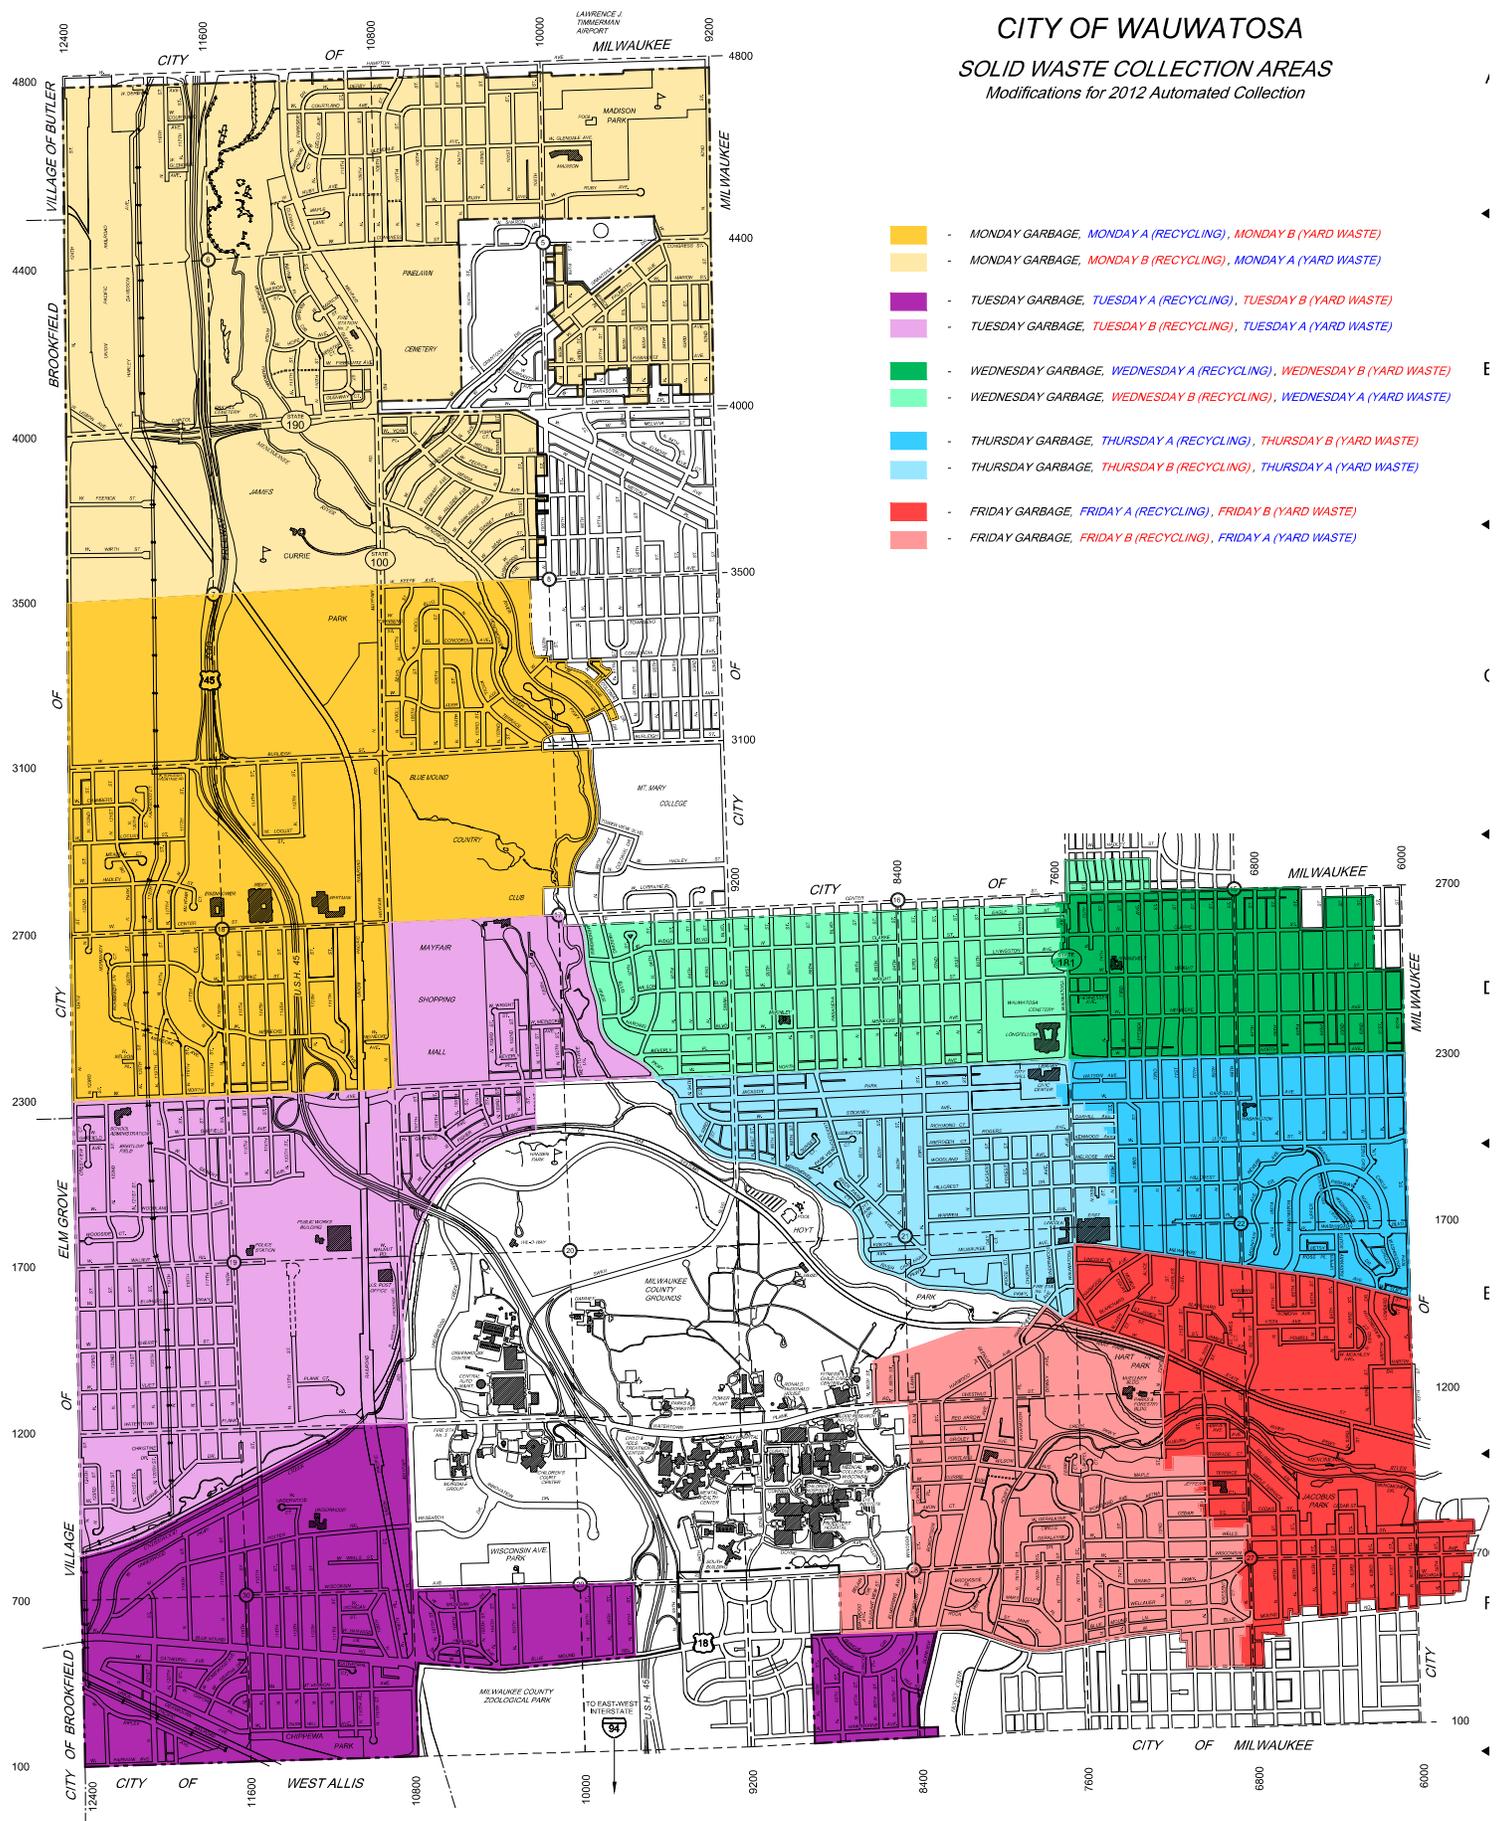

Winter Weather Reminder: Please do not place your garbage carts in the street during winter weather because it hinders the plowing and salting operations. Please shovel a space on the curb for your cart.

Yard Materials

Yard waste is collected on weeks where the City does not pick up recycling on your scheduled pick up day.

****NEW**** Curbside pick-up is limited to a total of 10 bags or bundles per pick-up. For pick-up of larger piles please call 414-471-8422 for a special pick-up.

April 18 through October 16: Leaves and brush must continue to be separated from other household garbage. They are collected every other week at the curb, on the opposite week as recycling. **DO NOT** include grass clippings, root balls, vegetables, stumps or branches over 6 inches in diameter. Please remember to:

Place your yard materials at the curb before 7AM on your collection day.

Mark reusable containers with "Yard Waste" in letters that are 2 inches or larger.

Bundle brush with string or twine. Please do not use wire or plastic. Your bundles may not be larger than 4ft and heavier than 50lbs.

Please call 414-471-8422 for pick-up of large piles of unbundled brush/branches (see section regarding "specials.")

Christmas tree pick up begins the week of January 4, 2016. The crews will make two trips around the City.

Grass Clippings

Grass is not collected at the curb or at the Drop-off Center. Please handle grass clippings by composting, grass-cycling, mulching, or by using commercial services to manage your lawn and clippings.

REMINDER: USE ONLY PHOSPHORUS FREE FERTILIZERS
