## **THE LAW ENFORCEMENT CODE OF ETHICS**

**AS A LAW ENFORCEMENT OFFICER**, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against violence or disorder, and to respect the Constitutional rights of all men to liberty, equality and justice.

**I WILL** keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided in me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

**I WILL** never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

**I RECOGNIZE** the badge of my office as a symbol of public faith, and I accept it, as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself to my chosen profession..... law enforcement.

### **MISSION STATEMENT**

The Wauwatosa Police Department exists to detect criminal acts and to apprehend the offenders of such acts. To this end, the department shall also preserve the public peace and safety of all citizens in accordance with the laws and statutes of the Federal and State governments and the ordinances of the City of Wauwatosa.

The police shall be diligent in working together with the citizens and members of the public to carry out the mission of this department. It shall be done in the most expeditious and efficient way possible; providing a high level of service while ensuring the rights and integrity of all who come into contact with members of this organization.

### **VALUES**

We believe in the dignity and worth of all people.

We are committed to providing a high level of service to the community. We will work to solve problems within the community, protect the rights of all people, and treat all citizens in a respectful manner.

Within our own organization, we believe in working together to maintain a high quality work environment; striving to do our work in an excellent manner. We will continue to seek solutions to problems, and work to make certain our performance is always high quality.

BARRY M. WEBER  
CHIEF OF POLICE

Dear Mayor, Members of the Common Council, and Citizens of Wauwatosa:

Our world is changing much more rapidly now than it ever did in the past. The need for stability in our society is a requirement that we all look to be filled by law enforcement. The citizens of Wauwatosa recognize the great effort put forth by the police department as we continue to provide excellent service.

The cost to operate the Department does not remain stationary; the needs of our citizenry do not reduce. We face a continual challenge within our organization to creatively fulfill all the requirements necessary in order that we continue to provide our community the best in police services.

The strength of our Department is our personnel. Performing exponentially well under trying circumstances, our employees always reach inside themselves for the extra things needed to be successful and constant in meeting the needs of our city.

In 2013, we experienced twelve retirements including six detectives and one captain, losing a total of three hundred forty-two years of experience. It is a slow and time consuming process to replace almost thirteen percent of the department's police force. Being very short-handed in personnel requires higher overtime expenditures and increased stress on the workforce.

Technology assists our employees in completing their jobs and tasks in more cost-effective manners, but the volume is constantly increasing. Since documentation is such a valuable part of case preparation and record keeping, we still have many clerical needs. In the past, we have reduced the number of clerical employees. No further reductions will be cost effective or increase any efficiency. Hence, more challenges.

It is necessary for everyone to participate in strategies that will keep our operating costs stable and utilize our workforce as a team to accomplish our goals. While constant change does occur, we remain focused on our goal to provide for safety and security for everyone who lives, works, or visits our wonderful Wauwatosa.

We appreciate and thank you for your continued support

Sincerely,

*Barry M. Weber*

Barry M. Weber  
Chief of Police

## **INTRODUCTION**

The City of Wauwatosa has a population of approximately 46,000. The Police Department is authorized for 94 sworn personnel, which is a ratio of 1.9 officers per 1,000 of the population.

The Department, headed by the Chief of Police, is divided into two main bureaus; the Operations Bureau and the Administrative Bureau each commanded by a Captain.

The Operations Bureau consists of the Patrol Division, which includes the Special Operations Group (SOG) and the Special Response Team (SRT), the Investigative Division, the Personnel and Training Division and the Dispatch Center.

The Patrol Division is divided into three shifts that provide 24-hour service to the community. Each Patrol Division shift is commanded by a Lieutenant and two Sergeants are assigned as supervisors. There are two Accident Investigators/Evidence Technicians assigned to the first and second shift, and one assigned to the third shift. The Patrol Division responds to over 30,000 calls for service a year.

The Personnel and Training Division performs the hiring process of both sworn and civilian personnel. This division is commanded by a Lieutenant and is responsible for planning and providing training for all employees. This division is also responsible for the Dispatch Center and the ten full-time civilian Dispatchers and five part-time Dispatchers.

The Investigative Division consists of fifteen Investigators of which two are assigned to sensitive crimes. The Division also has one Detective/Technician who specializes in fingerprint identification and also secures all recovered property and evidence for court cases. There is also one full time property clerk. The Division is commanded by a Lieutenant on the first shift and a Sergeant on the second shift. All sworn personnel assigned to this division do investigations for both adult and juvenile activity. On average over 2,000 investigations are conducted each year. Assignment of investigations is based on priority with the most serious offenses assigned first.

In addition to conducting investigations, Investigators are responsible for fingerprinting persons for criminal identification, various license applications, and other instances where fingerprinting is required for a license, permit, or employment.

Responsibility for enforcement of the Juvenile Code also rests with the Investigative Division. Juveniles are referred to the Juvenile Court, social agency, or reprimanded and released.

The Patrol Division, in most cases, is the first responder to calls for service. For patrol purposes, the City has been divided into seven squad areas; each patrolled by one or two officers. In addition, there are other directed enforcement squads in areas where crimes are being committed on a frequent basis. Primarily during the summer months, some officers are assigned to motorcycle patrol, bicycle patrol, and foot patrol.

The Accident Investigators/Evidence Technicians are responsible for the investigation of fatal or serious personal injury crashes as well as the investigation and follow-up on reported hit-and-run vehicle crashes. They are also assigned to photography and evidence collections and preservation of areas at major crime scenes.

The Administrative Bureau is supervised by an Administrative Captain and assisted by the Administrative Lieutenant and two Administrative Sergeants. The divisions of the Administrative Bureau are Records, Front Office, Jail, Community Support, Technical Services, Property/Equipment Division, Information Systems, and Fleet Maintenance. The main function is to provide support to the Operations Bureau through its divisions.

The Administrative Bureau is responsible for maintaining all records and reports retained by the department. The Records Division is also responsible for the sale and release of records based upon the Open Records Law of the Wisconsin Statutes.

The Community Support Division is under the command of a Lieutenant and a Sergeant. At present, the division consists of two officers who perform various community crime prevention related functions, four school resource officers, community service officers and a clerk. The primary duties of the officers include planning and implementation of the Neighborhood Watch and Business Watch Programs, which involve education and presentation of residential and business security and safety; a Bicycle Safety and Enforcement Program, Wauwatosa Crime Stoppers, and supervision and liaison to the Wauwatosa Police Reserves. The School Resource Officers are assigned to the secondary schools during the day Monday through Friday. The SRO works to protect school, staff, and students from crime and violence and to serve as an immediate resource to staff and students.

The Administrative Bureau presently consists of five full-time civilian Desk Clerks assigned to the Front Office and three clerks in the Records Division and one Warrant Clerk. There is a secretary to provide support to the Chief of Police, a secretary for the Administrative and Operations Captains, a clerk for the Community Support Division, and a System Analyst to assist with data for our Public Safety Information Systems.

Front Desk Clerks handle all non-emergency phone calls, provide information by telephone and in person, and process payments for all fees, permits and fines related to both traffic and non-traffic offenses. Clerks also collect fees for licenses and write minor incident reports.

The Personnel Budget, Operating Budget, Capital Budget, and Program Budget are prepared on a yearly basis by the Administrative Bureau. In addition, all purchasing from the approved budget is coordinated through the Administrative Bureau.

Records of police activity are maintained in the Records Division in several ways. Criminal complaints for the current year and the prior three years are maintained in the Records Division itself. Reports dating back seven years are stored in the archives of the department. Major crime reports are stored indefinitely. Reports are filed by classification code of the offense. Since 1989, a computer log derived from the CAD (Computer Aided Dispatch) system has been maintained containing the most important information regarding the report.

## AWARDS AND RECOGNITION

On June 10, 2013, **Officer Kelly Zielinski** was presented with a **Meritorious Arrest Citation** for his outstanding tactical response to an armed robbery of Walgreens on March 5, 2013. His actions resulted in two subjects taken into custody and the recovery of a gun and stolen narcotics. This arrest resulted in the clearance of three robbery cases.

On June 28<sup>th</sup>, 2013, a **Letter of Appreciation** was presented to **Officer Kurt Svatek**. On June 8, 2013 Officer Svatek was on assignment when he heard an audible alarm. While investigating the source he observed a thick layer of smoke inside a business. His level of alertness and patrol tactics regarding this matter prevented a considerable damage to the structure and loss of property.

On September 4, 2013, **Officer Martin Keck** was presented with a **Meritorious Arrest Citation** for his outstanding investigative skills and patrol tactics which led to the arrest of the armed robber of Papa Murphy's on August 20, 2013.

On October 11, 2013, **Officer Jennifer Sebena** was awarded the "Woman Officer of the Year" by the Wisconsin Association of Women Police.

On October 11, 2013, the Waukesha County Technical College of Criminal Justice and Law Enforcement unveiled a plaque in honor of **Officer Jennifer Sebena**.

On November 21, 2013, **Sgt. Paul Leist** received the Mayor's Award for Exceptional Service.

On November 21, 2013, **Detective Technician Lisa Hudson** received an award for Wellness Champion Dedication to Service.

In the summer of 2013 several members of the Wauwatosa Police Department volunteered at the Concerns of Police Survivors Kids Camp. This camp is held yearly for children and spouses of fallen officers from around the United States. Many new friendships were made and our members look forward to visiting again in 2014.

In remembering Officer Jennifer Sebena one year later, the Wauwatosa Police Reserve Unit shows its support by lighting one of trees at the Police Department in blue. Thank you to all of the Wauwatosa citizens and those from all over Southeastern Wisconsin who supported us by joining in the Blue4Sebena event through the holidays.

### **LETTERS OF APPRECIATION**

**Sworn and non-sworn employees and the Department** received many letters from victims of crimes and motor vehicle accidents, school children, other departments, and citizens of the City of Wauwatosa expressing their thanks for services provided and the manner in which the Department employees dealt with them. All letters serve to inspire the Wauwatosa Police Department to continue to strive to serve the community to the best of our ability and are gratefully appreciated by the staff.

# THANK YOU!

## **Operations Bureau**

The Operations Bureau is responsible for all functions related to the Patrol Division, Investigative Division and Personnel and Training.

The Patrol Division is divided into 3 shifts that provide 24 hour service to the community. The Patrol Division responded to over 31,000 calls for service in 2013.

The Investigative Division received nearly 1,800 incidents for review and assignment. Of these, nearly 500 resulted in full investigations. Case priorities and resource allocation are determined by the severity of each incident.

In addition to incidents forwarded by the Patrol Division for review, the Detective Bureau also initiates undercover operations to detect and arrest perpetrators of certain crimes, such as prostitution, human trafficking, and drug sales. These investigations are typically handled by the Special Operations Group (SOG) and augmented with detectives.

The Special Response Team (SRT) consists of select, highly trained members of the Department who are normally assigned to the Patrol or Investigative Division. SRT members are on 24 hour page and the team is activated for "high risk" situations. The primary goal of the SRT is to utilize the minimum amount of force necessary to bring a safe resolution to high-risk situations and to reduce risk to citizens and officers.

## Police Motorcycle Unit

Six specially trained officers, assigned to the Day and Early shift Patrol Division make up the Police Motorcycle Unit. Established in the fall of 2008, the Motorcycle Units primary function is traffic enforcement and special events.

Police motorcycles are deployed from April 1 – November 1, 2013.

## **K9 Unit**

### **Officer Tim Kastner and K9 Addy**

K9 Addy was instrumental in locating and apprehending two armed robbery suspects on the frigid evening of December 23, 2013. The two suspects were wanted for the armed robbery at Kmart in Wauwatosa. When police located the suspects in their vehicle, they fled on foot into a residential neighborhood. K9 Addy was deployed to search for the suspects and he successfully located both. One suspect was hiding underneath an exterior porch and the other in the basement of an apartment building. The use of K9 Addy allowed for a safer and more efficient apprehension of these suspects, who posed a danger to the public and officers.

In 2013, Police K9 Addy was deployed 145 times, which included 45 narcotics sniffs, 30 searches for criminal suspects, and 12 public demonstrations.

## **SPECIAL RESPONSE TEAM (SRT)**

The Wauwatosa Police Department Special Response Team is presently divided into four units. Currently the team is led by a Team Commander, Lieutenant David Moldenhauer. Sergeants Chad Geiszler, Sergeant Mike Schultz and Patrol Specialist Ryan Cepican serve as Team Leaders. The following is a breakdown of the Special Response Team.

**The Entry Unit** is comprised of six (6) officers and a sergeant who serves as the team leader. The Entry Units primary responsibility is that of dynamic and stealth applications of room clearing, hostage rescue, vehicle/bus assaults, and the execution of high-risk search/arrest warrants. Members on the Entry Unit are also specially trained in the use of: ballistic shields, distractionary devices, chemical munitions, the use of entry tools, close quarters combat, and the use of explosives for dynamic entries.

**The Rifle/Scout Unit** is comprised of seven (7) officers and a patrol specialist who serves as the team leader. The primary responsibility of the Rifle/Scout Unit is to control the inner perimeter of a target location during a tactical situation. Rifle/Scout members are usually the first in the field of a tactical situation, and provide crucial information regarding the target location. Each member is equipped with camouflage battle dress uniforms, a rucksack for equipment in the field, and a Sig 516 assault rifle. Rifle/Scout members also cross train with the Entry Unit, and must be proficient in room clearing techniques.

**The Selective Marksman Unit** is comprised of four (4) officers and a sergeant who serves as the team leader. Selective Marksman are equipped with the Remington .308 tactical rifle, and several types of camouflage uniforms needed for an urban environment. The primary responsibility of the Selective Marksman is that of forward observers. They are able to obtain vital information about a target location. The Selective Marksman also provides protection to officers in the area and to the Entry Unit as they make their approach to the location of the threat.

**The Crisis Negotiation Unit** is comprised of five (5) negotiators and a sergeant. The Crisis Negotiation Unit is under direct supervision of the Team Commander. Negotiators are specially trained personnel designed for the safe handling of a situation such as a barricaded subject, hostage situation or a suicidal subject. Negotiators have regular training, and attend several of the SRT training sessions. The negotiators are an invaluable tool to the Special Response Team.

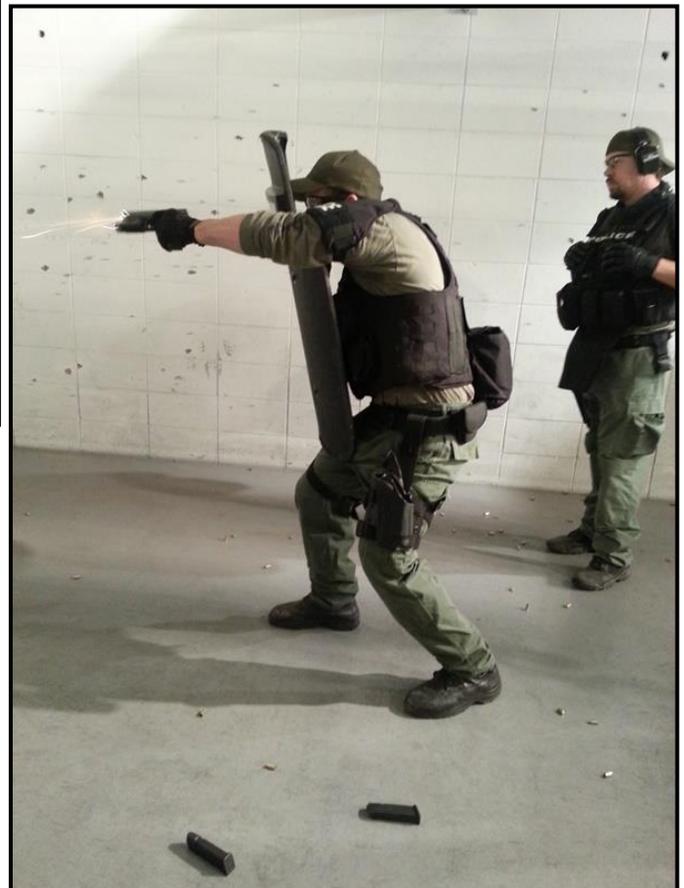

The Entry, Rifle/Scout and Selected Marksman Units train approximately 16 to 24 hours a month. This training does not include any specialty training schools that officers attend throughout the year. Some of the training schools attended by members of SRT were taught by members of the Los Angeles Police Departments S.W.A.T. Team Platoon D, The Milwaukee Police Department's Tactical Enforcement Unit, The Federal Bureau of Investigations, Team One Training Division, National Tactical Officers Association, Association of S.W.A.T. Personnel and by the Midwest Tactical Officers Association –

Wisconsin. Members of the SRT also conduct departmental training in room clearing and extraordinary deployment techniques.

In order to maintain membership on the SRT officers must pass a weapons qualification course and a physical fitness test twice a year.

**NEW OPERATORS** Due to numerous promotions, the SRT team has a large quantity of detectives as operators. To better handle large scale incidents including investigations, the team is training new operators to replace many of the detectives. The team has put on six new operators this year which has allowed for the transition to begin. This transition will continue for the next several years, requiring that numerous detectives be replaced with new operators.

## INVESTIGATIVE DIVISION

The Investigative Bureau reviewed nearly 1,800 cases in 2013, of which, 1,774 were **State Index Major Crimes**. These included **0 Homicides; 1 Sexual Offenses; 45 Robberies** (including attempts); **277 Burglaries** (including attempts); **1,309 Thefts; 47 Auto Thefts** (including attempts); and **95 Assaults**. Among the Part II Index Crimes, the Investigative Division handled a total of **53 Forgeries** and **253 Fraud** investigations. In addition, the Division provided mutual assistance to other police departments, outside agencies, and individuals in reference to investigative criminal matters.

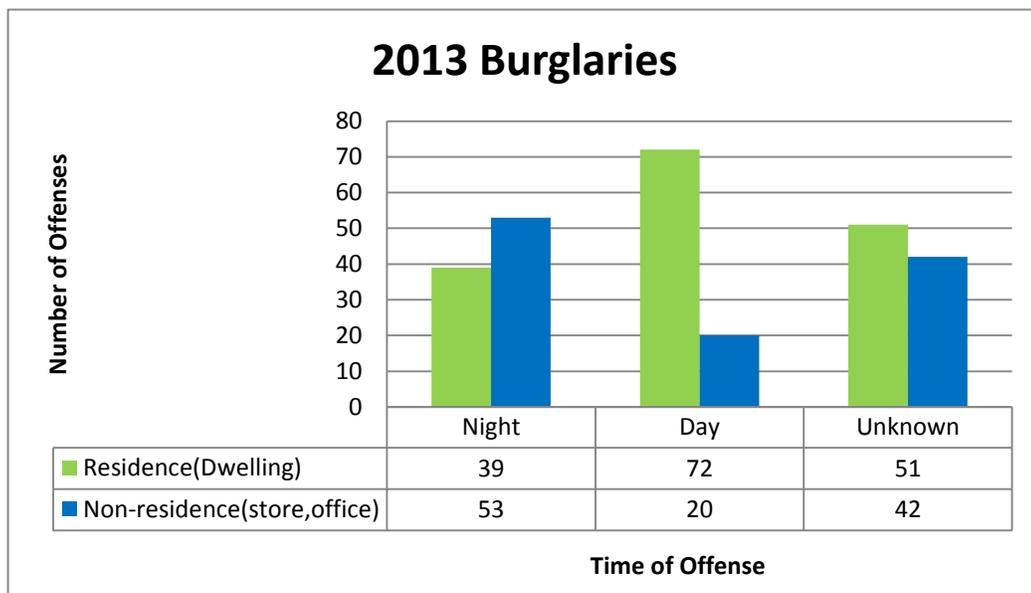

During 2013, there were **45 robberies** reported to the Wauwatosa Police Department that were subsequently investigated by the Detective Division. The following is a breakdown as to the type of robberies reported. There were **28 armed** (any weapon) and **17 strong-arm incidents** (using hands, fists and/or feet). In 2013, **21** robbery complaints were cleared.

During the year, **277 burglaries** were reported to the Wauwatosa Police Department and were subsequently investigated by the Investigative Division. This represents a 4.14% increase in reported burglaries from 2012 (266).

The following is a breakdown as to the **type of burglaries committed in 2013**:

**162 Residential** (including homes, motel rooms, apartment buildings, and storage rooms)

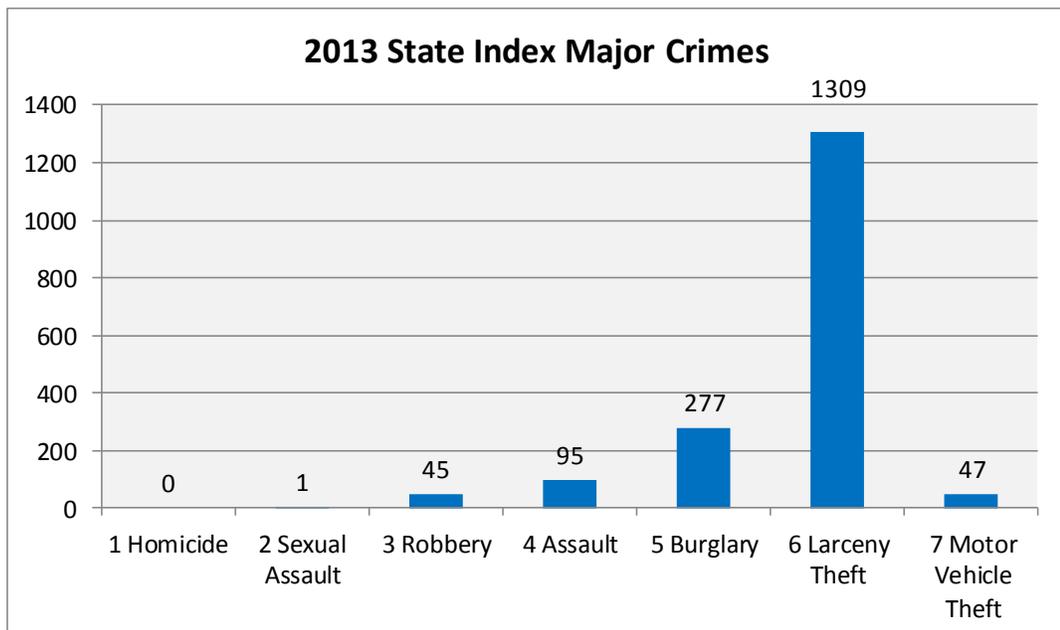

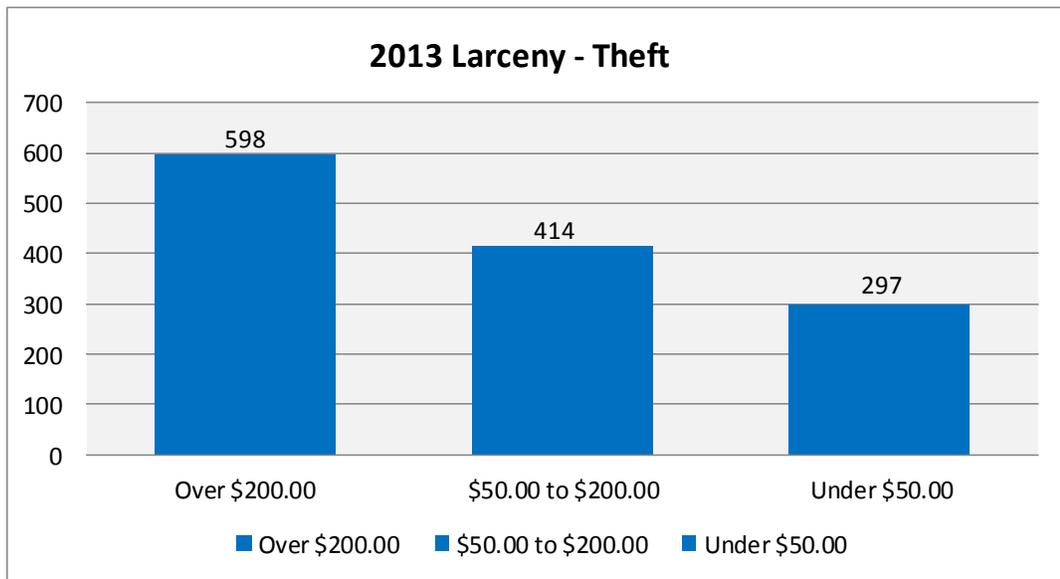

**115 Non-Residential** (including business place, public buildings, and schools).

In 2013, there were **95 assaults** reported. This was a decrease of 8.65% from the 104 reported in 2012. A breakdown of the types of assaults follows:

- 0 Gun
- 0 Knife or Cutting Instrument
- 1 Other Dangerous Weapon
- 9 Aggravated (Hands, feet, etc.)
- 85 Simple (Hands, feet, etc.)

In 2013, there were **1,309** cases of **Larceny – Theft** reported.

## 2013 Investigative Bureau Highlights

**Detective David Hoppe** retired on December 31, 2013.

**Detective Ralph Torrez** retired on December 31, 2013.

## MAJOR CRIMES SOLVED

***On Tuesday, January 8th, 2013***, a citizen was robbed in the parking lot of Qdoba, located at 418 N Mayfair Road, by three occupants of a vehicle. The victim was punched in the head and dragged by the vehicle for about two blocks.

Officer Cory Wex stopped a vehicle for speeding before the robbery call was dispatched. There were four occupants of the vehicle. During his traffic stop, the robbery call at Qdoba was dispatched. Based upon the broadcast vehicle description and the occupant's demeanor, Officer Wex believed his traffic stop was related to the robbery.

Subsequent follow up by the Detective Bureau revealed three of the occupants were involved in the robbery. Investigation also revealed the driver and passenger switched seats when stopped by Officer Wex.

Interviews of the occupants of the vehicle showed that only three of the four suspects were involvement in the robbery while one person had no involvement (he was released without charges). The three involved suspects provided confession to their involvement in the robbery and subsequent dragging of the victim.

Two suspects plead guilty to felony Robbery with Use of Force. The driver plead guilty to felony Reckless Endangering Safety and felony Theft from Person, 6 year sentence (3 years prison and 3 years extended supervision). The victim's \$300 was recovered and returned.

This case demonstrated how simple traffic enforcement can turn into the clearance of a robbery with three suspects charged. Without Officer Wex's traffic stop of the suspect vehicle, there would have been little evidence to follow up on.

***On March 22, 2013, at 2:46AM***, the Walmart Neighborhood Market located at 3850 N 124<sup>th</sup> St. was robbed by two armed and masked subjects. The subjects entered the store and at gunpoint forced several employees into the cash office. Once inside, the subjects removed cash from the safe and then fled the store. Surveillance video showed the two subjects flee the area in an older white Buick 4 door vehicle eastbound on W. Capitol Dr.

Later that day, Police developed an informant who identified the two robbers as Michael Robertson and Kovon Nash. Nash was a former employee of Walmart and had knowledge of the inner workings of the store. The informant also provided information that the two subjects who committed the robbery switched vehicles with a third subject, Richard Mayberry, shortly after the robbery. Mayberry, driving the getaway vehicle seen in Walmart surveillance video, had been stopped and arrested by MPD for a traffic violation and an outstanding warrant about 15 minutes after the robbery.

As Police went to the County Jail to interview Mayberry, Nash was observed in front of the jail and taken into custody. The next day, the third subject, Robertson, was taken into custody outside a residence in the City of Milwaukee.

A search warrant was conducted on Mayberry's residence and valuable evidence was obtained. All three subjects were interviewed; Robertson admitted to his involvement in the robbery, while Nash and Mayberry maintained their innocence.

All three subjects were charged in Federal Court with the robbery and all three were found guilty. Robertson received a sentence of 77 months in Federal Prison, Mayberry received a sentence of 110 months in Federal Prison, and Nash received a sentence of 111 months in Federal Prison.

***On August 10th, 2013***, the Papa Murphy's located at 7630 West Blue Mound Road was robbed by a masked suspect. The suspect brandished a large knife while threatening and grabbing employees. Once obtaining cash the suspect fled in a vehicle.

Officers and Detectives investigated and processed the scene including detailed interviews, DNA collection, fingerprinting and video surveillance. The detailed description and evidence obtained was shared with other officers and other agencies. The suspect was then linked to at least one other robbery in the City of Milwaukee one month prior.

Using the information provided, Patrol Officer Martin Keck located a possible suspect vehicle and possible suspect on August 18<sup>th</sup>, 2013. During his investigative stop Officer Keck's questioning and investigative tactics lead to probable cause to arrest the subject for the robberies. Subsequent investigation located evidence in the vehicle linking the suspect to the crimes.

Detectives continued to build on the investigation and obtained a full confession to both robberies. Searches of homes, cell phones and additional interviews including photo arrays lead to additional evidence that cleared two armed robberies in Wauwatosa and Milwaukee.

The suspect, Leighton Freeman, pleaded guilty to the two robberies and was sentenced in January 2014 to three years in prison followed by additional years of supervision. Officer Martin Keck was awarded a Meritorious Arrest Citation by the Police Department and has since been promoted to the rank of Detective. The investigation was an excellent coordination of team work of dozens of Officers between Patrol and Investigative Divisions and between Wauwatosa Officers and other jurisdictions.

# SPECIAL OPERATIONS GROUP

The SOG consists of two Patrol Officers, one Detective, and one Sergeant. In 2013, PO Brad Isaacson, PO Shane Wrucke, and Detective James Short were assigned to the unit. Sgt. Brian Zalewski was the supervisor assigned to the SOG until June. Sgt. Michael Schultz joined the unit in July and remains in that assignment.

In 2013, the SOG once again assisted the Detective Bureau and Patrol Division on numerous cases including drug overdose death investigations, armed robberies, burglaries, and thefts complaints. The SOG spends a significant amount of time conducting covert surveillance, locating wanted suspects, making apprehensions and providing technical support with cell phone data recovery and analysis.

There were numerous significant cases the Special Operation Group was involved in during 2013. The unit also worked closely with numerous other law enforcement agencies on criminal investigations including Wisconsin DCI, Milwaukee HIDTA, West Allis PD, Milwaukee PD, DEA, FBI, and Waukesha County METRO.

## **CASES:**

In one significant case, officers acted on an anonymous tip about possible drug dealing at a residence. SOG was able to gather evidence to obtain a search warrant for the residence in Wauwatosa. Recovered from the residence were 329 grams of marijuana and a handgun that had been stolen from the City of Milwaukee. The suspect, a convicted felon, has since pled guilty and is awaiting sentencing.

SOG began a joint investigation with the Waukesha Metro Drug Unit and Milwaukee HIDTA. Utilizing a Confidential Informant, the SOG was able to conduct several heroin and cocaine buys from a suspect. A search was executed on his residence in the City of Milwaukee and 236 grams of cocaine, 45 grams of heroin, and \$12,572 in US Currency was recovered. Police also seized two vehicles that had been used to conduct drug transactions. The suspect, who was on Federal Probation at the time of his arrest, pled guilty and was sentenced to 12 years in prison.

SOG received an anonymous tip about a possible drug house in Wauwatosa. SOG was able to gather evidence to obtain a search warrant for the residence. Recovered from the residence was 281 grams of marijuana, 26 grams of cocaine, and a handgun. Two suspects were arrested, charged, and eventually both pled guilty and were sentenced to prison.

SOG was involved in two long term investigations that came to a close. In one case started in 2011, SOG began a joint investigation with MPD and the ATF.

SOG utilized a Confidential Informant to purchase a handgun from a subject. That subject was subsequently taken into custody and was in possession of another handgun that had been used in a homicide in the City of Milwaukee. The subject was charged with Reckless Homicide and Felon in Possession of a Firearm. In 2013, the subject was convicted and sentenced to 30 years in prison.

In the second case, SOG assisted with the investigation into the robbery of the Landmark Credit Union which occurred in November of 2012. Working with the FBI, MPD, and several other jurisdictions, a large robbery organization was identified and apprehended. In total, 8 people were indicated in Federal Court with the robbery of 6 financial institutions, 2 restaurants, and a carjacking that occurred in Illinois.

The total drug seizures for the Special Operations Group (not the entire Police Department) in 2013 were as follows: 1560 grams of marijuana, 270 grams of cocaine, 8 grams of crack cocaine, 77 grams of heroin, and 21 grams of psilocin/psilocybin mushrooms.

The total assets recovered/seized by the Special Operations Group in the year 2013 were as follows: \$22,437.00 in US Currency, 4 vehicles and 3 firearms.

**A reportable police-juvenile contact is defined as an act of juvenile misconduct of such magnitude as to warrant a formal juvenile report.**

Wisconsin Statute Chapter 938 has now been added to the Juvenile Justice Code. The purpose of this chapter is to promote a juvenile justice system capable of dealing with the problem of juvenile delinquency; a system which will protect the community, impose accountability for violations of the law, and equip juvenile offenders with competencies to live responsibly and productively. Further, the legislature intended to better protect citizens from juvenile offenders and hold juveniles directly accountable for their acts.

According to the legislature, Chapter 48 will continue to provide for the care, protection and wholesome mental and physical development of children; preserving the unity of the family whenever possible.

Under Wisconsin Law Statute 48.19(3), juveniles “taken into custody” to investigate an alleged violation are not considered “arrested”. However, the UCR Program uses the term “arrest” for both adults and juveniles to describe apprehension. This annual report based upon UCR data also uses the term “arrest” in the latter sense.

## PERSONNEL AND TRAINING

### PERSONNEL

In the year 2013, twelve police officers retired and four departed for other reasons. The department hired eight officers to fill those vacancies. Each of the newly hired officers embarked upon a rigorous 14-week field training program before being assigned to solo patrol. Not all new officers successfully complete this process. This program ensures that those officers who are successful in the program become familiar with all aspects of policing in the City of Wauwatosa, as well as the city itself.

### TRAINING

The department places a strong emphasis on training and development of all personnel. The State of Wisconsin Department of Justice, through the Law Enforcement Standards Board, mandates each sworn officer receive a minimum of 24 hours of training annually.

These mandated training hours make up approximately 20% of the 9000+ total training hours accumulated by sworn officers and civilian employees in 2013. The additional training covers department-designated "core" training for newer officers (e.g.: Basic Breath Examiner/Intoximeter and Interview & Interrogation), as well as more specialized training for veteran officers and detectives specific to their duties (e.g.: Death Investigation, School Resource Officer, Crash Reconstruction, Crime Prevention, Crime Scene Investigation, Strategic Response, Leadership in Police Organizations).

The department also keeps a regular in-house training schedule for all officers which addresses:

- Firearms (handgun, shotgun, rifle)
- Emergency Vehicle Operation
- Defensive and Arrest Tactics
- Response to Active Shooters
- Taser and Less Lethal weapons use
- Vehicle Pursuit driving/decision-making

## 911 EMERGENCY DISPATCH CENTER

The 911 Emergency Dispatch Center is a vital part of all services provided by the Wauwatosa Police and Fire Departments. Most often a citizen's first contact with the city of Wauwatosa's protective and enforcement services begin with the Communication Center. Police Department administration, clerical staff, detective bureau, officers as well as the Fire Department emergency personnel rely on the Communications Center as a critical information hub. Wauwatosa's emergency responders and citizens benefit greatly from our ability to provide "live" dispatch 24 hours a day. Dispatchers are able to use a wide variety of tools and resources to assist and minimize risks to the callers, police officers and fire fighters while assuring prompt and efficient service.

Advances in technology continue to improve the quality and efficiency of service provided for officers and citizens alike. Dispatchers have been provided access to restricted databases to quickly provide information to Police Officers in the field to assist them in recognizing and apprehending suspects. Additionally dispatchers are a crucial element working alongside the Department of Transportation (DOT) during all major construction projects throughout the city. Dispatchers must have knowledge of all road closures, detours and alternate routes for first responders in order to maintain efficient and minimal response times.

Wauwatosa's 9 full-time and 5 part-time dispatchers are increasingly busy with calls ranging from routine medical assistance to emergency medical calls for the Fire Department to assisting disabled vehicles and in-progress calls for Police Department response. In 2013, the Police Department had 31,815 calls for service. The Fire Department had 5,856 assignments for fire and medical assistance.

Along with the daily responsibilities for the City of Wauwatosa, the Dispatch Center is the MABAS (Mutual Aid Box Alarm System) facilitator for Milwaukee County. Taking on this facilitator position means that when a major fire, EMS, or disaster incident occurs in Milwaukee County, the Wauwatosa Dispatch Center heads the organization and coordination of mutual aid apparatus from multiple cities within the county. This allows for the most effective response to the incident to minimize damage and/or casualty.

Moving forward into 2014, the continued focus for Dispatch is to maintain efficient and quality customer service for all citizens, and to provide optimal assistance to Police Officers and Firefighters to help them safely and quickly aid those in need. To do this, Dispatch will continue to take advantage of training opportunities and advances in technology to provide the City of Wauwatosa with the outstanding service our citizens appreciate and expect.

On May 6, 2013, our department was saddened by the sudden death of long time dispatcher and our friend, **Anne Louise Moore**. She is forever missed.

## **ADMINISTRATIVE BUREAU**

The Administrative Bureau performs line and staff functions relating to planning, directing coordinating, organizing and evaluating police activity at the administrative level. It is also responsible for short and long term planning and research of departmental objectives.

The Administrative Bureau develops the annual department budget, and the Bureau maintains fiscal control of the budget.

Administrative Bureau divisions are: Records, Technical Services, Jail, Front Office, Warrants, and Maintenance.

The Bureau maintains and provides public access to department records as specified in State law as well as being responsible for the record-keeping function of the department.

It is a liaison arm to various committees of the Common Council and other City Departments.

Preparation of department policy, operating procedures and other information necessary to department operation are prepared and coordinated within the Bureau.

## COMMUNITY SUPPORT

The Community Support Division embodies the Wauwatosa Police Department's philosophy of community oriented policing. This philosophy enables its officers to function as community workers and organizers to work with other service providers and alongside neighborhood residents. The goal is to assist the public to prevent, resist and eliminate crime and other disorders in their neighborhoods while adhering to the Constitution and the rule of law.

The Community Support Division provides citizens, community groups, businesses, schools, and social and civic groups with programming aimed at establishing and maintaining productive partnerships. Emphasis is directed at recognized and potential problem areas while strengthening the established programs.

An Administrative Lieutenant with a staff of one Sergeant, six Officers, a Civilian Municipal Clerk and part-time Community Service Officers comprise the Community Support Division.

## **NEIGHBORHOOD WATCH**

### **TOSA'S NIGHT OUT**

The City of Wauwatosa Neighborhood Block Watch Program maintained its numbers in 2013 at 628 neighborhoods. Volunteer Block Captains and their respective neighbors continue to participate in this proven crime prevention program. Neighbors working together, in cooperation with the Police Department, makes Block Watch work.

Wauwatosa's 2013 Tosa's Night Out festivities took place on August 6<sup>th</sup>. A fabulous turnout made our 19<sup>th</sup> annual event a terrific success. Built on the premise of "Community – Police Partnerships", the following event statistics clearly show that this concept is alive and well in Wauwatosa.

➤ Hart Park Festivity Attendance	3,000
➤ Block Watches Represented	580-600 (95%)
➤ Neighborhood Associations Represented	26 of 26 (100%)
➤ Corporate Sponsors	58
➤ Coloring Contest	75
➤ Flashlight Walk	1,391
➤ Children Fingerprinted	110

Much of the credit goes to our corporate sponsors and countless volunteers who graciously donate financially, with products and services, and with their time.

In addition, the success of Tosa's Night Out relies on the overwhelming support of the community at large. Continued interest in education, prevention, and cooperation has made Tosa's Night Out one of Wauwatosa's most celebrated events.

# **WAUWATOSA POLICE RESERVES**

## **2013 ANNUAL REPORT**

The Wauwatosa Police Reserve unit is a group of volunteer men and women from Wauwatosa and the surrounding area who augment the Wauwatosa Police Department throughout the year. Formed in 1942, the Wauwatosa Police Reserve unit has the distinction of being one of the oldest in the country.

In 2013, the Reserves ended the year with 32 active members divided into four platoons. There were a total of 9 Past Members throughout 2013. The Reserve unit has their own command staff consisting of a Captain, Executive Lieutenant, Treasurer, and Secretary. Each platoon is guided by a Lieutenant. The Chief of Police has the final authority to command, train, control, and supervise the reserve unit.

Reserve members are trained to assist the police department in emergency situations, as well as, routine events including; parades, festivals, walks, runs, and National Night Out festivities. Each member must commit to a minimum of 75 hours of service per calendar year. Included in the commitment is training, monthly meetings, and squad riding activities. Most reserves routinely exceed the minimum hour requirement.

The Reserve unit requires that each member is trained in weapons familiarization, traffic control, and Defense And Arrest Tactics (DAAT). All members participate in refresher firearms and D.A.A.T. courses each year.

Reserve Officers volunteer for many reasons including serving the community, valuable real life training, and gaining a perspective into law enforcement as a career.

Wauwatosa Crime Stoppers, Inc. is a hard-working volunteer board that serves to deter and prevent crime in the City of Wauwatosa. The board accomplishes this goal by advertising cash rewards for information leading to an arrest, fund raising so that there is cash to pay out rewards when warranted and finally voting to approve the pay out of reward money. The Crime Stoppers board meets with a Police Liaison for an hour on the first Tuesday of every month; and they also have two major fund raisers, the extremely popular and successful Mother's Day Pancake Breakfast held every Mother's Day at Hart Park and their annual "Shredding Day" held every September.

The tip process allows citizens to report crimes or criminal activity, which in many cases would go unsolved or undetected. These tips can be made 24 hours a day to a live operator; the tipline is unrecorded and does not have caller ID capabilities. The caller will remain completely anonymous as the operator will never ask the caller to identify themselves, Further; they will be assigned a confidential and closely guarded code number and given follow up instructions to track the status of their tip and any possible reward information. After the information is gathered, the operator will forward it to the Police Liaison for dissemination and onto an on-duty supervisor if the information is time sensitive.

From 2005 through 2013, the Wauwatosa Crime Stoppers received 121 separate tips, which resulted in 61 arrests and solved 45 separate crimes. As a result, the Crime Stoppers board disbursed nearly \$10,000 in rewards.

The requirements for becoming a member of the Wauwatosa Crime Stoppers are as follows:

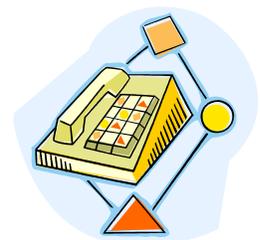

1. Have a vested interest in the City of Wauwatosa.
2. Be at least 18 years of age.
3. Be of good moral character.
4. Submit to a brief background investigation.

If you want to join the Wauwatosa Crime Stoppers or have any questions about them please contact Officer Mike McDermott, 414-471-8430 Ext. 5113 or [mmcdermott@wauwatosa.net](mailto:mmcdermott@wauwatosa.net).

## **SCHOOL RESOURCE OFFICER PROGRAM**

The School Resource Officer (SRO) program was initiated in September 2005. The SROs are assigned to the Community Support Division, and serve under the direct supervision of the Community Support Sergeant. The SRO is a uniformed position, Monday through Friday, from 7:30 am to 3:30 pm. There are currently four SROs assigned to Wauwatosa East and West High Schools and Longfellow and Whitman Middle Schools. The SROs also respond to calls for police service at the elementary schools and private schools when needed.

The overall scope of responsibilities of the SRO is basically unlimited. Specific duties of a SRO officer are, at this time, expected to include the following responsibilities:

- Promotes rapport between police officers and students in the secondary schools.
- Works to protect school, staff and students from crime and violence.
- Serves as an immediate resource for staff and students.
- Conducts criminal and quasi-criminal investigations in the secondary schools that occur during the school day that would have necessitated the dispatch of a patrol officer.
- Handles follow up investigations of crimes or other issues in the schools.
- Makes arrests of students, as appropriate.
- Coordinates SRO efforts with the Detective Bureau of the police department.
- Promotes a working relationship with other police-student resources in the Wauwatosa School District.
- Makes presentations to students, parents, and staff members on law, law enforcement, safety issues, and good citizenship.
- Refers troubled students to proper professional resources within the guidelines of school policies, as needed.
- Works with parents of runaway students.
- Counsels students who are established juvenile offenders.
- Coordinates the Crime Stoppers Program in the secondary schools.
- Attends various school functions as deemed necessary, such as secondary graduations, proms, dances, certain athletic events, etc.
- Meets periodically with the school district administration to discuss and evaluate the SRO program.

From January to June and September to December, 2013, the School Resource Officers responded to over 400 call for police service including child abuse, battery, robbery, disorderly conduct, theft, possession of controlled substances, intoxicated juveniles and possession of tobacco products by minors, warrants, missing juveniles, threats, vandalism, and truancy.

The SRO's have also made over 130 presentations to students, staff, and parents on such topics as personal safety, drug & alcohol awareness, internet safety, bullying, conflict resolution, juvenile law, legal consequences, driver safety and search & seizure issues.

## GRANT PROGRAMS

The department has received the following grants starting in 2013:

- Traffic Grants from the Bureau of Transportation Safety. The following traffic grants were awarded to the department in 2013 - 2014:
  - \$20,000 Alcohol Traffic Enforcement Grant – This grant enabled our department to be involved in the Multi-Agency OWI Enforcement Task Force, which has resulted in numerous drunk driving arrests.
  - \$4,000 Safe Routes to School (SRTS) Traffic Enforcement Grant for enforcement around McKinley Elementary School
  - \$50,000 Department of Transportation Grant for enforcement and traffic mitigation resulting from the ongoing Zoo Interchange Project.
  - \$5,000 Safety Equipment Grant to cover two new squad light bars.
- The Byrne Justice Assistance Grant (JAG) Program was awarded to the department in the amount of \$10,427.00 which will be used to help offset the cost of our next generation VoIP 911 system.
- The department also continues to participate in the Federal Bullet Proof Vest Partnership Grant program which is a multiple year vest reimbursement program that gives our officers a 50% return on ballistic vest purchases.

## RECORDS

Under the direction of the Administrative Bureau Commander, the Records Section is operated Monday through Friday with 3 clerks. The public is served with counter service and inquiries via telephone. Each call handled by the department generates a record. The department logged 31,161 calls in 2013.

Data is interfaced with the Wisconsin Department of Justice, which provides crime data to the FBI. Statistics are projected to various agencies of law enforcement.

Criminal complaints for the current year and past 3 years are kept within the unit. Reports dating back 7 years are stored in the archives. Serious *Index Crimes* are kept indefinitely. Reports are classified by code of the offense.

## POLICE DESK

Also under the direction of the Administrative Bureau Commander is the Police Desk. The “front desk” as it is known is open for public business Monday through Friday from 8 AM to 11 PM. The clerical staff of 5 is responsible for answering all incoming non-emergency telephone calls, data entry of all citations issued, and processing of all payments made to the department. The clerks also perform clerical functions related to supporting officers on the street and processing arrest warrants.

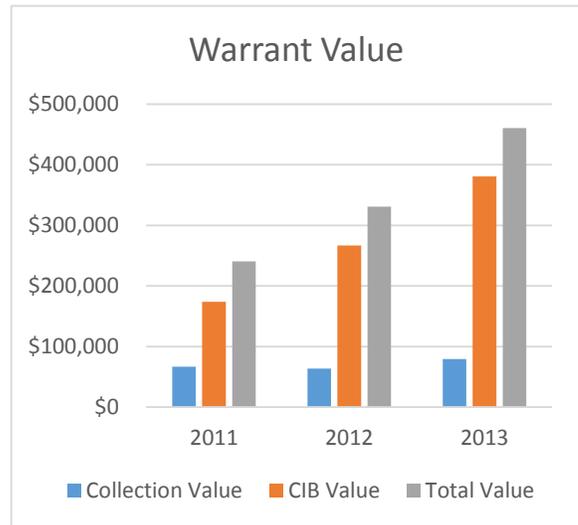

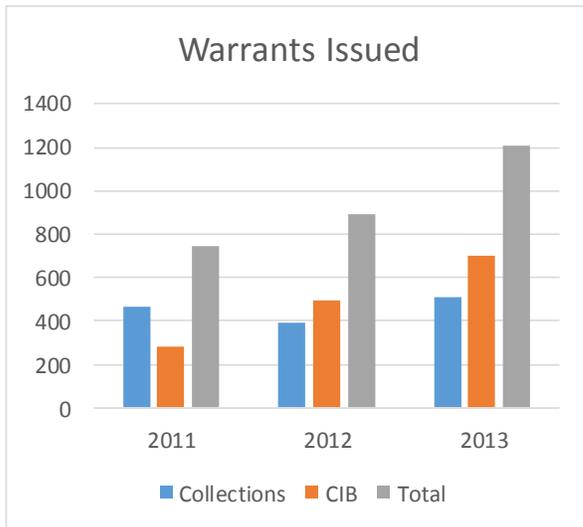

# Warrants

In 2013, the Warrants Division issued 1210 warrants.  
Of that, 508 were put into the Collections program  
and 702 were entered into CIB.

New Issue	Open	Closed	Total
<b>Civil Process</b>	570	640	1210

New Issue	Open	Closed	Total
<b>Collection</b>	295	213	508

New Issue	Open	Closed	Total
<b>CIB Entry</b>	283	419	702

The year 2013 for the “Warrants Division” was promising. The number of warrants issued in comparison to the previous year increased by 25%. Warrants cancelled in the year 2013 also increased by 33% over the previous year. Prisoner costs increased by 29% for a total of \$16,100, however; with an increase in clearances that was to be expected. Overall, the Warrants Division is moving in the right direction.
