Wauwatosa Business Fire

Wauwatosa, WI – At 05:39 A.M. on 9/23/18 the Wauwatosa Fire Department responded for a reported fire at McDonalds, 3800 N 124th St. First arriving crews encountered smoke showing from the roof with a light haze inside the structure. The business was closed at the time of the fire but an employee that was opening the business noticed the fire and called 911.

The business suffered moderate damage from the fire. The exact cause is undetermined but appears to have started on a fryer in the cooking area of the restaurant. No injuries occurred as a result of this fire and initial damage estimates to the business are still being reviewed.

The Wauwatosa Fire Department was assisted by neighboring fire departments including Milwaukee, and West Allis.
